On November 16, 2018, Pacific Power & Light Company (Pacific Power), a division of PacifiCorp, submitted Advice 18-04, a housekeeping filing to remove an unnecessary footnote from Schedule 17, Low Income Bill Assistance Program – Residential Service Optional for Qualifying Customers, which was docketed as UE-180956. Pacific Power received feedback from Washington Utilities and Transportation Commission staff that the asterisk referencing the removed footnote was inadvertently left on the tariff sheet that was submitted. Pacific Power is submitting a revised sheet 17.1 to remove the asterisk.

Please direct any inquiries regarding this filing to Ariel Son at (503) 813-5410.

Sincerely,
