Re: TV-190225 – Authorizing Transfer of Household Goods Permit

Dear Acme Moving Labor LLC:

On April 2, 2019, Acme Moving Labor LLC and Ball, Cheryl Ann d/b/a Acme Moving Labor filed with the Washington Utilities and Transportation Commission (Commission) a joint application to transfer permanent household goods carrier authority in the state of Washington.

The Commission provisionally grants your application. Acme Moving Labor LLC is now authorized to operate on a **temporary** basis.

The Commission will evaluate whether Acme Moving Labor LLC qualifies for permanent authority. To qualify for permanent authority, your company must satisfy the following requirements:

1. Operate for at least six months.
2. Allow the Commission to review your business operations and records. Commission staff will review records and inspect vehicle(s), and you must receive a satisfactory safety rating as a result of that review.
3. Complete a criminal background check on each person Acme Moving Labor LLC employs or intends to employ. The Commission will not grant permanent authority if any company employee has been convicted of any crime within the past five years involving theft, burglary, assault, sexual misconduct, identity theft, fraud, false statements, or the manufacture, sale, or distribution of a controlled substance. Even if a conviction for any of these offenses is more than five years old, the Commission will not grant permanent authority if it determines that the nature or extent of the crime(s) will likely interfere with the proper operation of a household goods moving company.
4. Pay any outstanding monetary penalty or fee owed to the Commission.
5. Resolve all consumer complaints pending with the Commission.

Acme Moving Labor LLC must comply with state laws, Commission rules, and the provisions of Tariff 15-C. Failure to do so will result in Commission enforcement action, up to and including revocation of the company's permit.
