Re: T-Mobile West LLC – Annual Petition for Certification as an Eligible
Telecommunications Carrier

Dear Mr. Johnson:

Enclosed for filing please find a Confidential and Redacted versions of T-Mobile West LLC's Annual Petition for Certification as an Eligible Telecommunication Carrier.

The Application contains confidential information in Exhibits B, D, E, H & I that is exempt from public inspection, examination and copying pursuant to WAC 480-07-160(2) and RCW 42.56.270(11), namely proprietary data and trade secrets concerning complaints, outages, and T-Mobile's investment in its network. This competitively sensitive information would harm T-Mobile's business with respect to its competitors if disclosed. That information is redacted in the nonconfidential version of T-Mobile's filing, and T-Mobile has requested confidential treatment for the information from the FCC.

Please feel free to contact me with any questions.

Very truly yours,
