Re: **Do Not Redocket - PSE Natural Gas Tariff Revision
Docket UG-190784 (Advice No. 2019-34)**

Dear Mr. Johnson:

Pursuant to WAC 480-90-198, Notice Verification and Assistance, Puget Sound Energy (“PSE”) is providing this statement that it has published the attached notice in the above-referenced docket in accordance with WAC 480-90-194, Publication of Proposed Tariff Changes to Increase Charges or Restrict Access to Services.

On September 18, 2019, PSE filed with the Commission a revision to its natural gas Schedule 74 Gas Conversion Burner Rental Service. The proposed tariff change would restrict access to this service, by discontinuing Gas Conversion Burner Rental Service and transferring ownership of PSE’s equipment to customers effective March 31, 2020. Approximately 2,600 natural gas customers would be impacted by these proposed changes. PSE posted the above-referenced filing in accordance with WAC 480-90-193(1), Posting of Tariffs for Public Inspection and Review; Web, Telephone, and Mail Access, by posting on PSE’s web site.

PSE published notice of the filing in accordance with WAC 480-90-194(1), Publication of Proposed Tariff Changes to Increase Charges or Restrict Access to Services; Thirty-day Notice to Individual Customers. Notice was mailed to each Schedule 74 customer on September 27, 2019, within 30 days of the requested November 1, 2019, effective date. A copy of the published notice is attached.

Mr. Mark L. Johnson
