Subject: Withdrawal of Petition TR-200066 & TR-200066

WSDOT submitted two petitions for Grade Crossing Protective Funds for USDOT Crossings 066100N, Chelan Street and 066099W, Range Street, on January 24, 2019. Due to the urgent nature of completing the repairs at these locations, WSDOT estimates the work will be prosecuted before the GCPF petitions are approved and therefore requests these petitions be withdrawn from consideration for funding.
