RE: Commodity Price Adjustment for Mason County Garbage Co., Inc. G-88.

Dear Mr. Johnson:

Attached please find revised pages for Tariff Number 13, as well as supporting documentation for the commodity price adjustment (CPA).

The CPA will change from a debit of \$2.34 to a debit of \$1.98 (15%) per residential customer per month. There are approximately 12,800 residential customer affected by this change.

Recycling commodity markets appear to have stabilized. We are no longer requesting a waiver from WAC 480-70-351(2). The calculation uses the most recent six-month historical period to estimate the recycling commodity expense/commodity adjustment. The true-up is also based on the most recent six months data. The true up is then divided by a 12-month customer count because the commodity price adjustment will be adjusted again effective May 1, 2021.

We respectfully ask that this filing be accepted under Less than Statutory Notice, per WAC 480-70-276. Should the Commission approve this filing under LSN, we request the new CPA go into effect on May 1, 2020.

Pursuant to WAC 480-70-271(2)(a)(vi), affected customers will receive notification of the change on the first billing reflecting the revised rates.

If you have any questions regarding this filing, please contact me at (360) 695-4923, or via email at heatherg@wcnx.org.

Sincerely,

Heather Garland
