Hi Alex -

I have known Alexander Conner for 4 years. It has been my pleasure to work with him as well as get to know him personally. We worked together building a private personal training business, and Lex was very professional, loyal, trustworthy, and fun to work with through the process. Since then, he has been working on starting a moving business. He has moved ALL of my family in the last year, and each one of the jobs was exemplary. On time, fast moving, careful precision, and always a smile on his face. He also brings in top notch talent and hard workers as staff, and I enjoyed them as well. Anyone that is moving now, I always recommend Lex because I am confident in his abilities, and I know that it will be an enjoyable experience, and limited stress. I fully support Lex in any way.

Hey Mari B! It's Lex. So in order for me to become a mover in WA state I have to go through a process to get a permit and one of the things is I need a statement of support from somebody that knows me professionally and or personally. The statement doesn't have to be longer than a paragraph but they want to hear why I would make a good company for moving. You can talk about your experience with me throughout our relationship and how you have referred me to your friends and family as well.

They just need it typed and also signed.

Thank you Mari B

To whom it may concern:

I am writing this letter in support of Alexander Conner of Mr. Muscles Moving Company. I have known Mr. Conner for 8 years. I fully support his endeavors in the moving business.

Mr. Conner has personally helped myself and friends move in the past. He is knowledgeable, skilled, and proficient in the process of moving. He cared greatly how items were packed and moved; while being aware of any safety concerns. Mr. Conner is very driven and kind which will make him a great asset to the small business community.

Sincerely,

Vanessa Conner

To whom it may concern,

I have had the pleasure of knowing Alex his whole life and have had the privilege watching him grow into the man he is today. Alex is a person who genuinely cares about people with integrity.

Alex has always seen every project through to fruition. Whether it was going for his brown belt in Kung fu when he was a youth to playing four years of high school football, earning most inspirational player and helped his team get to the playoffs. Ask anyone who has worked or played with Alex and they'll say the same. He is a good person through and through.

Please feel to contact me anytime

Sincerely,
