RE: Tariff Submittal – B&O Tax Increase – Harold Lemay Enterprises, Inc., dba Pierce County Refuse, Revised Tariff No. 10

Dear Mr. Johnson:

Attached please find revised pages for Tariff Number 9, for Pierce County Refuse. G-98.

Our Company was notified that during the 2020 legislative session the state legislature increased the B&O tax from 1.5% to 1.75% effective April 1, 2020. With this filing, we respectfully request the Commission approve a rate increase to pass this increase through to customers.

The increase is proposed as follows: Residential service \$66,300, .28%; commercial service \$23,300, .28%; and roll-off service \$4,200, .28%. There are approximately 57,400 residential; 5,400 commercial; and 196 roll-off customers affected by this change.

The last general rate increase approved by The Commission for Pierce County Refuse became effective May 1, 2020.

Attached are the proposed tariff pages containing the increased rates, as well as supporting documentation for those changes. If these rates are approved by the Washington Utilities and Transportation Commission they are intended to become effective on August 1, 2020.

Pursuant to WAC 480-70-271(2)(a)(iii), affected customers will receive notification of this change on the billing reflecting the revised rates.

If you have any questions regarding this filing, please contact me at (360) 695-4923, or HeatherG@WasteConnections.com.

Sincerely,

Heather Garland
