Dear Mr. Johnson:

Our company was notified by Waste Management that the disposal fee for medical waste increased from \$.33 to \$.45 per pound, a 36% increase effective November 1, 2019. We project this will increase revenue for medical waste service by approximately \$10,000, 7.8%. There are approximately 265 customers affected by this change.

The last general rate increase approved by the Commission was effective September 1, 2019.

Attached are revised tariff pages and supporting documentation containing the revised rates.

Pursuant to WAC 480-70-271(2)(a)(iii), affected customers will receive notification of this change on the billing reflecting the revised rates.
