Re: Request for Review – 2021 Clallam County Solid Waste Management Plan

To whom it may concern:

The Department of Ecology (Ecology) received a formal request from Clallam County to review their 2021 Preliminary Draft Solid Management Plan (Plan) via e-mail on Wednesday, January 6, 2021. Today, I am sending their request to Ecology and a copy of their Plan to you to formally request a Utilities and Transportation Commission (UTC) review of their Plan.

Per RCW 70A.205.065, Ecology is required to provide the UTC with a copy of any Preliminary Draft Local Solid Waste Management Plan immediately upon receipt. The UTC shall then review the Plan and within 45 days advise the submitting county and Ecology of the probable effect of the Plan on solid waste collection rates charged by solid waste collection companies regulated under [Chapter 81.77 RCW](#). Contact information for both these agencies is below:
