**Re: Docket UE-210229 (Advice No. 2021-13)
PSE's Electric Tariff Filing – Do Not Redocket**

Dear Mr. Johnson:

Puget Sound Energy (“PSE”) submits in connection with Docket UE-210229 the following tariff sheets to replace the sheets that accompanied PSE’s initial April 7, 2021 filing submitted under PSE’s Advice No. 2021-13. This substitute filing includes the following portion of PSE’s WN U-60 Tariff G for electric service:

28th Revision of Sheet No. 91, Schedule 91 Purchases from Qualifying Facilities of Five Megawatts or Less
2nd Revision of Sheet No. 91-E, Schedule 91 Purchases from Qualifying Facilities of Five Megawatts or Less (Continued)

The purpose of this substitute tariff sheet filing is to revise the effective date of the tariff sheets so that Commission staff and PSE have more time to discuss other potential tariff schedule changes.

The tariff sheets described herein reflect an issue date of April 7, 2021, and an effective date of May 21, 2021. The tariff changes proposed in the filing do not increase recurring charges nor restrict access to the optional services under Schedule 91. Notice and posting of proposed tariff changes, as required by law and the Commission’s rules and regulations, is being completed in accordance with WAC 480-100-193(1).
