Tariff #20

Dear Mr. Johnson:

Enclosed herein, please find revised pages, 2, 22, 23, 27, 32, 33, 34, and 35 to the above-referenced tariff. These proposed revised tariff pages contain increased rates for residential and commercial garbage collection services. The requested rate increase is necessary in order to recover increased disposal costs at the Olympic View Transfer Station (OVTS). The Kitsap County Board of Commissioners approved the increase in disposal fees from \$85.00 to \$90.00 per ton to become effective on July 1, 2021. The increased rates, if approved by the commission, would increase residential and commercial garbage rates by 2.1% and 3.2%, respectively. The effective date of these proposed tariff revisions is July 1, 2021.

Enclosed for your review are our accounting work papers. In addition, enclosed is Kitsap County Resolution No. 062-2018 which adopted the scheduled increase and a letter from Kitsap County Department of Public Works notifying us of the increase in disposal fees. Upon approval by the Commission of this filing, affected customers will be notified of this rate increase on their next regularly scheduled billing.

If you have any questions or need additional information, please contact me at (425) 814-7840.

Very truly yours,

Michael Weinstein
