

**BEFORE THE WASHINGTON UTILITIES AND TRANSPORTATION COMMISSION**  
**LESS THAN STATUTORY NOTICE REQUESTED BY:**

Company Name: OLYMPIC PIPE LINE COMPANY LLC Certificate No. \_\_\_\_\_ UBI No. \_\_\_\_\_

Registered Trade Name(s) \_\_\_\_\_

Company proposes to change Tariff Number WUTC No. 51  
(Tariff, time schedule, etc.)

Present provisions are:  
Within the "ROUTE No. 06" row, the Renton DESTINATION from Ferndale ORIGIN "Non-Fungible Requiring Batching" rate is currently \$49.91.

Proposed changes are:  
The above non-fungible requiring batching rate should be \$57.40, effective August 1, 2021. Due to a transposition/clerical error this Renton DESTINATION from Ferndale ORIGIN "Non-Fungible Requiring Batching" rate is not correctly represented on the tariff and is not accurate.

Indicate below, or attach, an explanation of the reason the company requests permission to file and publish the proposed provisions with less than statutory notice.  
Respectfully, the correct, actual rate of \$57.40 should be reflected on tariff WUTC No. 51 to be effective on August 1, 2021. Olympic Pipe Line Company LLC bills its shippers on a bi-weekly (twice per month) basis and the appropriate rates should be reflected. This incorrectly documented lower rate gives shippers a theoretical advantage, and thus all shippers are not being treated equally. Further, the notice to the Olympic shippers of the Olympic Pipe Line Company LLC Tariff Increase Effective 7/1/21 (email dated 5/26/21 at 4:09 PM PST) stated that Olympic Pipe Line Company LLC has filed tariffs to increase both the FERC and WUTC tariff rates by 15.0014% per the Olympic Settlement Agreement methodology. The same notification was also sent to the shippers via the Transport4 System on 5/26/21 at 4:07 PST. The shippers were made aware within both notices that all of the tariff rates would be increasing effective July 1, 2021.
