 COMMISSION

Dear Amanda Maxwell,

Please find enclosed our application for rate adjustment and a new tariff for Camano Hills Water Company, LLC. The rates have been evaluated based on the test period of January 1, 2021 through December 31, 2021. We are issuing the request March 8, 2022 and requesting the Effective Date of the submission to be April 15, 2022. In this filing for rate review and new tariff is the following:

1. Notice to Customers
2. General Rate Case workbook
3. New Tariff

The revenue impact of this filing, based on a 2021 test year, will be a total annual increase of \$112,577.00. The average customer bill would increase in phases averaging 15% per 6-month rate plan incremental increase; The revenue impact on each customer class affected is presented in an enclosed tabulation with supporting calculations, and the average is summarized as follows:

Metered Rate Service, 3/4 inch or smaller	\$5.60 (29%)
Un-Metered Rate Service	\$17.00 (25.66%)
Ready-to-Serve Service	\$5.60 (15.38%)

Ancillary charges are also increasing, please refer to customer notice for the changes. We appreciate your time and attention in this matter. This rate case is critical in order to support the system and deliver the requirements of the regulatory bodies.
