JUSTIFICATION FOR REINSTATEMENT

For the last 5 years, we have had insurance and filing without any cancellations, lapses, or any other problems. The insurance renewal was due on September 1st, of which we made plans and indeed renewed. However, the E-filing from the insurance, having contracted a different insurance company was not made on time by the insurance company; I had to call them to request the same afterwards and being a long, labor-day-weekend, it only delayed the filing. The filing has now been made and received by the commission.

Sincerely,

James

Gen. Manager.
