**RE: DO NOT REDOCKET—Docket UE-220733  
 Replacement Tariff Sheet Schedule 60—Company Operated Electric Vehicle  
 Charging Station Service**

On September 29, 2022, PacifiCorp dba Pacific Power & Light Company (PacifiCorp) submitted a new proposed tariff for Schedule 60—Company Operated Electric Vehicle Charging Station Service.

The Company met with Washington Utilities and Transportation Commission staff regarding specific questions related to idle fee costs and additional service fees tied to siting. In light of this conversation the Company has made the following amendments described below.

1. The idle fee has been reduced from 40 cents a minute to 10 cents per minute and clarified as a fee that only applies to DC Fast Charging stations.
2. The Company has removed the following provision: The Company may apply additional service fees based on the siting.

Please direct any questions about this filing to Ariel Son, Regulatory Affairs Manager, at (503) 312-3786.

Sincerely,

Shelley McCoy  
Director, Regulation
