Re: Surcharge request Docket #220739

Dear Amanda Maxwell,

Basin Water Sources will be withdrawing schedule No 5.1 for the surcharge related to the installation of meters from the 2017 Department of Health mandate. The company will be refileing this surcharge at the beginning of 2023.

Enclosed is a revised Tariff Schedule No 5 for the costs associated with a portion of the pump repair done in December of 2021. We are removing the City of Moses Lake tax as that is included in the customer bill for those within the city limit. The monthly amount each connection or customer is \$3.16 with an option to pay in full without the interest charge for \$34.76. The surcharge will expire on November 30, 2025, or recovery of \$36,704 plus interest and taxes, whichever occurs first.

Enclosed with this submission is following documentation:

1. Commission Cover Letter
2. New Tariff page No 5

Sincerely,

Basin Water Sources/ Pat Deneen
