RE: Request for Forbearance from RCW 81.68.015 and exemption from WAC 480-30-256 thru 436 and WAC 480-30-096(3)(c),(d),(f), and (g)

I am applying for authority to provide bus shuttle transportation services from Seattle and South Bellevue to the Summit at Snoqualmie ski area. I believe the service meets the criteria for an exemption/forbearance from RCW 81.68.015 and exemption from WAC 480-30-256 thru 436 and WAC 480-30-096(3)(c),(d),(f), and (g)

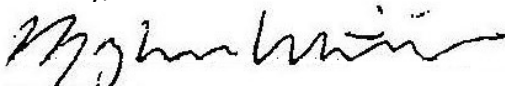

Our service,

1. Does not serve an essential transportation purpose, is solely for recreation, and will not adversely affect the operation of any other regulated shuttle transportation company.
2. The service is in the public interest.

The shuttle travels from University of Washington parking lot E18 to South Bellevue Station and from there to the Summit at Snoqualmie, stopping at Alpentel, Summit West, and Summit Central ski areas.

Thank you for your consideration of our request for forbearance from these rate and service regulations

Sincerely,
