**This is to document completion of missing or incomplete items in the initial application.**

March 13, 2023,

Amanda Maxwell, Executive Director  
Washington Utilities and Transportation Commission  
621 Woodland Square Loop SE  
Lacey, WA 98503

Dear Amanda Maxwell,

Please accept my application for reinstatement of my Household Goods Permit (HG066237). The letter warning about my insurance came while I was traveling. My insurance agent is willing to testify that it was not my direct involvement that caused the lapse in my insurance. The policy was renewed and I believed it would automatically renew with the UTC. The error is fixed and won't happen again.

Thank you for your time.

Sincerely,
