To whom it may concern,

I am providing an updated cost estimate to include a correction to a typo in the calculated facilities charges. Per WWS Tariff, Sheet 30.1, Schedule No. 3.1, the correct facilities charge should be \$2,857.00 per one inch meter size and the number calculated for each was \$2587.00. Should you have any questions, please feel free to contact me.

A handwritten signature in blue ink, appearing to read "Cameron Shoemaker".

Cameron Shoemaker
Project Engineer
