Re: Inland Cellular 2023 ETC Certification - Docket UT-230556

Dear Ms. Maxwell:

Here are our responses to the supplemental questions sent by Tim Zawislak on 8/18/23.

1. Does your company currently have a tribal outreach plan in place for services and equipment located on or provided to tribals lands of Washington state?
 - a. While we have reached out to Tribes in NE Washington in the past, there are no Tribes located in our main Service Area. We do have some fixed wireless services that reach into the southern edge of the Colville tribal lands. We do not currently have an outreach plan in place.
2. Does your company currently have a tribal liaison? If so, please share for information purposes only.
 - a. We do not currently have a tribal liaison in Washington.

Sincerely,

Mike Bly
