RE: Disposal Increase - G12 - Rabanco Ltd. (dba Tri-County Disposal, Allied Waste Services of Klickitat County, Rabanco Recycling) Less Than Statutory Notice

Dear Ms. Maxwell,

Enclosed is the proposed Tariff No. 8 of G-12 - Rabanco Ltd. (dba Tri-County Disposal, Allied Waste Services of Klickitat County, Rabanco Recycling), along with the LSN form. The purpose of which is a disposal increase request.

The Klickitat County Board of Commissioners voted June 20, 2023 in approval of increased disposal fees for the residents of Klickitat County effective July 1, 2023 as part of the landfill host agreement. As a result, we are requesting an effective date of August 1, 2023 for this increase. If approved by the UTC Commission, the overall revenue requirement increase reflected in this filing would approximate 4.6% or \$136,197.

As required by Commission rules, a copy of this transmittal letter has been mailed to the Chairman of Klickitat County's Board of Commissioners impacted by this filing. Notifications will be on the customer invoices beginning June 30 and will continue for two additional invoice cycles.

If you have any questions, please call me at (206) 225-6967.

Sincerely,

Maria Easley
