RE: RCW 80.28.010, Disconnection during extreme heat events for Regulated Water Companies

Dear Executive Director and Secretary Amanda Maxwell,

In response to the Notice requiring water companies to file tariff revisions for disconnects during extreme heat events, we are submitting our revised tariff sheet page 11.

Please let me know if you need anything else. I can be reached at 360.437.8342 or [dsmeland@portludlowassociates.com](mailto:dsmeland@portludlowassociates.com).

Sincerely,

Diana Smeland  
President
