Re: Tariff Rate Submission – to comply with ESHB 1329

Dear Ms. Maxwell,

Attached is the proposed tariff rate schedule modification to comply with ESHB 1329. BRWCO has not prepared a customer mailing as this is the only change.

This filing will not generate additional revenue for the company; therefore, the company is not submitting depreciation schedules, proforma adjustments, and other materials, excluding those referenced in the letter, as required by WAC 480-07-530 and requests a waiver of that rule to the extent necessary.

Mr. Jason Dorland has the authority to issue tariff pages on behalf of the company, and the undersigned has the authority to file those tariff pages on behalf of the company.

The company respectfully requests that the Commission approve the filed revised tariff sheets. If you have any questions concerning this matter, please get in touch with the undersigned.

Sincerely,

A handwritten signature in blue ink, appearing to read "Sara Dorland", is written over a horizontal line. Below the signature, the name "Sara Dorland" is printed in a black, sans-serif font.
