Dear Mr. Jeff Killip

This filing is submitted by Pullman Disposal Services and proposes a general rate increase. The proposed increase is essential to cover rising disposal site fees, wage hikes for drivers and office staff, higher office expenses, and increased fuel and fleet maintenance costs. If approved by the Commission, this adjustment would result in a 12.07% increase in our revenues.

In compliance with Commission rules, a copy of this transmittal letter will be sent to the mayor and commissioners of the City of Pullman. Additionally, we mailed customer notices to all our customers on September 4, 2024. A copy of this customer notice will be filed with your office along with this letter.

If you have any questions regarding this filing, please contact Darrell Moseley. His telephone number is 509-334-1914 and his email address is darrell@pullmandisposal.com.

Sincerely,

Devon Felsted. President
