Re: Prepaid Wireless Group, LLC

Dear Mr. Killip:

Please find for filing Prepaid Wireless Group, LLC's Petition for Designation as an Eligible Telecommunications Carrier in the State of Washington.

Petitioner, Prepaid Wireless Group, LLC ("Petitioner"), by counsel, respectfully requests, pursuant to WAC 480-07-160, that the Washington Utilities and Transportation Commission ("Commission") treat as highly confidential certain facilities description and financial information which the Petitioner proposes to submit under seal as confidential exhibits to its Petition for Designation as an Eligible Telecommunications Carrier in the State of Washington. The facilities description and financial information is Confidential per WAC 480-07-160. In support of this request, Petitioner submits the following:

1. Petitioner is a Maryland limited liability company, which is qualified to do business in the State of Washington.
2. The information which is the subject of this request includes Petitioner's Facilities Description and Financial Information which is highly confidential.
3. Petitioner's facilities description and financial statements are not made publicly available, and Petitioner takes reasonable precautions to maintain and protect the confidentiality of such information.
4. Public disclosure of Petitioner's facilities description and financial information for which this request is made could place Petitioner at a competitive disadvantage.

For these reasons, Petitioner respectfully requests that the facilities description and financial information which it proposes to submit under seal as confidential exhibits to its Petition for Designation as an Eligible Telecommunications Carrier in the State of Washington be treated as highly confidential information and not made a part of the public record in this Docket.
