RE: Tariff Submittal, Tariff Number 2, American Disposal Co., Inc., d/b/a Vashon Disposal G-87.

Dear Mr. Killip:

Our company has been notified that the tipping fee in King County will increase from \$184.52 to \$200.17 per ton, an 8.48% increase, effective January 1, 2025. This includes the Per Ton cost, \$34.26, for the Fixed Annual Charge imposed by King County. We project this will increase revenue for residential service by \$23,800 (3.19%); for commercial service by \$17,800 (3.79%); and drop box service by \$2,800 (8.48%) for a 12-month period. There are approximately 2,450 residential, 239 commercial and 5 drop box customers affected by this change.

The last general rate increase approved by the Commission was effective April 1, 2023.

Attached are revised tariff pages and supporting documentation containing the revised rates.

We respectfully ask that this filing be accepted under LSN, per WAC 480-70-276 for customer notifications. If accepted, the customers will be notified of the increase on their first bill as previously allowed per WAC 480-70-271(2)(a). If the LSN is accepted and these rates are approved by the Washington Utilities and Transportation Commission, the rates will become effective on January 1, 2025. Pursuant to WAC 480-70-271(2)(a)(iii), affected customers will receive notification of this change on the billing reflecting the revised rates.

If you have any questions regarding this filing, please contact me at (360) 566.6925, or via email at brian.vandenburg@WasteConnections.com.

Sincerely,

Brian Vandenburg
