

AFFIDAVIT

BEFORE ME, the undersigned authority, on this day personally appeared W. Scott Hanle who, after being duly sworn, stated the following:

1. Affiant is employed as Vice President, Finance and Planning of GTE Information Services Incorporated and is knowledgeable of the contracts entered into between GTE Directories Corporation and its customers including GTE Northwest Incorporated (GTENW).

2. GTE Directories has been informed by GTENW that the Washington Utilities and Transportation Commission has requested verification that GTE Directories has purchased the publishing contracts formerly owned by Associated Directory Services, Inc. This transaction did in fact occur, in a contract between GTE Directories Corporation, as purchaser and Associated Directory Services, Inc., as Seller and SBC Communications, Inc. As a result of this transaction, the publishing contract and Amendment filed with the Washington Commission for the production of telephone directories in the former Contel exchanges becomes an affiliated contract.
