WASHINGTON UTILITIES AND  
TRANSPORTATION COMMISSION**

*Estimate for a Move*

**November 30, 2018**

The screenshot shows the Dolly website interface for estimating moving costs. The browser address bar displays "https://dolly.com/cities-seattle/". The navigation menu includes "Services", "Cities", "Partners", "Helpers", "FAQ", "Blog", "Log In", and a red "BOOK A DOLLY" button. The main content area features the heading "Estimate Your Moving Costs" and a sub-heading "Simply enter your pickup and drop-off location and the number of items you plan to move. This is an estimated price and is subject to change when adding more items, details, and options." The form includes three input fields: "Pick-up Location" (1400 Fones Rd SE, Olympia, WA 98501), "Drop-off Location" (1910 Evergreen Park Dr SW, Olympia, WA 98502), and "Number of Items" (5). A "GET ESTIMATE" button is positioned to the right of the "Number of Items" field. Below the form is a large red "BOOK A DOLLY" button. At the bottom of the page, the text "Find Moving Services Around the Seattle Metro Area" is displayed.

This screenshot is identical to the one above, showing the Dolly website's cost estimation form. The form fields and buttons are the same. The primary difference is the addition of a price range, "\$130-\$160", displayed prominently below the "GET ESTIMATE" button. The rest of the page layout, including the navigation menu and the "BOOK A DOLLY" button, remains unchanged.
