Re: *In re ELI/GTE Arbitration*, Docket No. UT-980370

Dear Ms. Washburn:

The Order Approving Negotiated and Arbitrated Interconnection Agreement in the above-referenced docket required Electric Lightwave, Inc. ("ELI"), to provide a substitute Article VII of the Agreement without the language proposed by GTE Northwest Incorporated ("GTE"). ELI previously provided the revised Article VII as an attachment to its Response to GTE's Opposition to Approval, which ELI filed on April 19, 1999. GTE, however, has yet to file and serve its signature page to the Agreement. I attempted to contact counsel for GTE to discuss this issue without success. Accordingly, ELI requests that the Commission require GTE to provide its signature page.

Please contact me if you have any questions about this matter.

Sincerely yours,

DAVIS WRIGHT TREMAINE LLP
