RE: Qwest Corporation Renewed Price Regulation Plan

Dear Ms. Cooper:

Qwest Corporation ("Qwest") currently is subject to a plan for price regulation approved by the Iowa Utilities Board in Docket No. RPU-01-10 on February 4, 2002, pursuant to section 476.97 of the Code of Iowa. That plan became effective on November 7, 2001 for a period of three years. Section II. C. of the plan provides Qwest the option to renew the plan for an additional term of up to three years upon written notice to the Board at least ninety days prior to its expiration date. On August 4, 2004, Qwest filed its written notice to the Board pursuant to section II. C. of the price plan that Qwest was exercising its option to renew the price plan for an additional period of three years. The renewed plan will become effective on November 7, 2004.

Enclosed herewith is the Renewed Price Regulation Plan that has been negotiated with and approved by the Office of Consumer Advocate. As described in the August 4, 2004, letter, the language of the existing plan has been revised to remove references to the Productivity offset so as to conform to changes made in the price regulation underlying statute. Other modifications have been made with the concurrence of the Office of Consumer Advocate.

Please let me know if you have any questions or need additional information.

Sincerely,

CC: Office of Consumer Advocate
