**NOTICE OF COMPLIANCE**

RE: *Washington Utilities and Transportation Commission v. Waste Control, Inc. (G-101)*,  
Docket TG-140560

TO ALL PARTIES:

On August 6, 2015, the Washington Utilities and Transportation Commission (Commission) entered Order 13, Final Order Modifying Initial Order 12 Following Administrative Review Under RCW 34.05.464 and WAC 480-07-825 (Order 13), in Docket TG-140560. Order 13, required Waste Control, Inc., (WCI or the Company) to make a compliance filing including such new and revised tariff sheets as are necessary to implement rates that reflect:

- The approved and adopted-without-condition Partial Settlement Agreement, filed by Staff and WCI on October 14, 2014;
- \$15,424 for an allocated portion of shared utility expense;
- \$60,671 for annual normalized rate case expense; and,
- \$80,250 for affiliate land rent expense.

On August 31, 2015, the Commission entered Order 14, Denying Motion for Clarification and Denying Reconsideration (Order 14).

On October 19, 2015, and as revised on October 27, 2015, WCI refiled new Tariff 17 canceling Tariff 16, as directed in Order 13. WCI's Tariff 17 will become effective on November 1, 2015, and will generate approximately \$330,000 in additional annual revenue for regulated operations.

Order 13 also required WCI to pay investigation costs in the amount of \$21,909.41. On September 11, 2015, Commission records indicate that WCI paid this amount in full.

On October 16, 2015, Commission Staff (Staff) filed a letter of compliance stating that it has worked with Company and reviewed the Company's compliance filing and finds that it has satisfied the conditions of Order 13.

Staff, therefore, recommends that the Commission:

1. Acknowledge that the Company complied with the conditions of Order 13 by filing the required tariff sheets that implement rates reflecting the parties Partial Settlement Agreement.
2. Acknowledge that the Company complied with the condition in Order 13 that require the payment of \$21,909.41 for investigation costs.

**THE COMMISSION GIVES NOTICE That the Commission accepts Staff's recommendations listed above and finds that Waste Control, Inc., has complied with the conditions of Order 13.**

**THE COMMISSION GIVES FURTHER NOTICE That the tariff indicated above as Tariff 17 canceling Tariff 16 will become effective as filed with an effective date of November 1, 2015.**
