Section 7.2 Public Announcements. Without the prior written approval of the other Party, no Party shall issue, or permit any agent or Affiliate of such Party to issue, any press releases or otherwise make, or cause any agent or Affiliate of such Party to make, any public statements with respect to this Agreement or the Closing Documents or the transactions contemplated hereby or thereby, except when and to the extent that such release or statement is deemed in good faith by the releasing Party to be required to obtain the Required Regulatory Approvals or by applicable Law or under the applicable rules and regulations of a stock exchange or market on which the securities of the releasing Party or any of its Affiliates are listed. In each case to which such exception applies, the releasing Party will use its reasonable efforts to provide a copy of such release or statement to the other Party and incorporate any reasonable changes which are suggested by the non-releasing Party prior to releasing or making the statement.

Section 7.3 Actions by Parties. Each Party agrees to use Commercially Reasonable Efforts to satisfy the conditions to the Closing set forth in Sections 3.4 and 3.5; provided, however, that neither Buyer nor Seller shall be deemed to have breached its obligations under Section 6.2, Section 7.2 or this Section 7.3 by pursuing the discussions with the MPSC, the Washington Utilities and Transportation Commission, or FERC, or by making any required filings in connection with obtaining the Required Regulatory Approvals.

Section 7.4 Further Assurances. Seller and Buyer each agree that from time to time after the Closing, it will execute and deliver or cause its respective Affiliates to execute and deliver such further agreements, certificates, documents or opinions and take (or cause its respective Affiliates to take) such other action, as may be reasonably necessary to carry out the purposes and intents of this Agreement. If at any time any Party shall reasonably request any further action by any other Party to carry out the purposes of this Agreement and the Closing Documents or to further effectuate the transactions contemplated hereby, such other Party, shall promptly take such action (including the prompt execution and delivery of further instruments and documents).

Section 7.5 Records.

(a) **Maintenance.** Buyer agrees to maintain the Records in accordance with its records retention policy as maintained in compliance with applicable Laws and Buyer's past practices, or if any of the Records pertain to any claim or dispute pending on the date upon which such records would be destroyed pursuant to Buyer's records retention policy, Buyer shall maintain any of the Records designated by Seller until such claim or dispute is finally resolved and the time for all appeals has been exhausted. Buyer shall give Seller reasonable notice and an opportunity to retain any Records relating to Taxes in the event that Buyer determines to destroy or dispose of them during such period. After the Closing Date, except as might result in a waiver of any attorney/client, work product or like privilege or violate applicable Laws, Buyer shall provide Seller and its representatives during normal business hours, and upon reasonable notice, reasonable access to, and the right to copy, the Records existing as of the Closing Date, at Seller's cost and expense, for the purposes of

(i) complying with any applicable Law affecting Seller's ownership of the Colstrip 4 Interests prior to the Closing Date;

(ii) preparing any audit of the books and records of any third party relating to Colstrip Unit 4 prior to the Closing Date, or responding to any audit prepared by such third parties;

(iii) preparing Tax Returns;

(iv) responding to or disputing any audit, examination, claim or other proceeding in respect of Taxes; or

(v) asserting, defending, or otherwise dealing with any inquiry, investigation, claim or dispute under this Agreement or with respect to the Colstrip 4 Interests.

(b) **Privilege.** Buyer shall not after the Closing Date intentionally waive the attorney/client, work product, or like privilege of Seller or its Affiliates with respect to any of the Records existing as of the Closing Date, without Seller's prior written consent.

Section 7.6 Regulatory and Other Authorizations and Consents Filings.

(a) *General.* Each Party shall use Commercially Reasonable Efforts to obtain all authorizations, consents, orders, and approvals of, and to give all notices to and make all filings with, all Governmental Authorities and third parties that may be or become necessary for its execution and delivery of, and the performance of its obligations under, this Agreement and will cooperate fully with the other Party in promptly seeking to obtain all such authorizations, consents, orders, and approvals, giving such notices, and making such filings.

(b) *Required Regulatory Approvals.* Without limiting the generality of the undertakings pursuant to Section 7.6(a) above, each Party shall (i) use its Commercially Reasonable Efforts to: gather and obtain all necessary information to complete its respective filings in connection with the Required Regulatory Approvals (including all reports, studies, and

exhibits related thereto); consult with the other Party regarding any such filings, consider and incorporate all reasonable comments (if any) submitted by the other Party or its representatives; and the Parties shall make such filings as soon as practicable following the execution and delivery of this Agreement, if not already completed; (ii) prior to and during the pendency of any notice and approval period with respect to such filings, (A) consult with the other Party prior to providing any supplemental information to the applicable regulatory authority, provide prompt written notice to the other Party of all discussions and correspondence with the applicable regulatory authorities that reasonably relates to or bears upon such filings, and, to the extent permitted by applicable Law, permit such other Party a reasonable opportunity to participate in any such discussions, and (B) use all Commercially Reasonable Efforts and act in good faith to expedite and obtain the Required Regulatory Approvals. In furtherance and not in limitation of the foregoing, each of the Parties agrees to use its Commercially Reasonable Efforts to applications with any applicable Governmental Authority whose approval is required in connection with the consummation of the purchase by Buyer of the Colstrip 4 Interests as promptly as practicable following the date of this Agreement, the date of which shall be mutually agreed upon by Buyer and Seller.

(c) *Transfer.* If the transfer of any instrument, contract, license, lease, permit, or Material Contract to Buyer hereunder shall require the consent of any party thereto other than Seller, then such item shall not be assigned to or assumed by Buyer, if an actual or attempted assignment thereof would constitute a breach thereof or default thereunder. In such case, Seller and Buyer shall cooperate and each shall use Commercially Reasonable Efforts to obtain such consents to the extent required by such other parties and, if and when any such consents are obtained, to transfer the applicable instrument, contract, license, lease, permit, or Material Contract. If any such consent cannot be obtained, Seller shall, at Buyer's expense, cooperate in any commercially reasonable arrangement designed to obtain for Buyer all benefits, obligations and privileges of the applicable instrument, contract, license, lease, permit, or document. Buyer shall indemnify and hold harmless the Seller from any and all Losses arising from or related to Seller's actions taken pursuant to the Buyer's request and/or direction (or such non-action as requested and/or directed by the Buyer, as the case may be) pursuant to this Section 7.6(c). Notwithstanding the foregoing, the indemnification provisions of this Section 7.6(c) shall not apply to any actions taken by Seller with regard to the Ownership and Operation Agreement.

(d) *Third Party Consents.* Seller shall use its Commercially Reasonable Efforts, and Buyer shall use its Commercially Reasonable Efforts to assist Seller, in obtaining any and all consents of third parties and Governmental Authorities necessary or advisable in connection with the transactions contemplated by this Agreement and the Closing Documents, including the provision by Buyer to such third parties and Governmental Authorities of such publicly available financial statements and other publicly available financial information with respect to Buyer and its parent company or companies as such third parties or Governmental Authorities may reasonably request.

Section 7.7 Fees and Expenses. Except as otherwise expressly provided in this Agreement, all fees and expenses, including fees and expenses of counsel, financial advisors, and accountants, incurred in connection with this Agreement and the Closing Documents and the transactions contemplated hereby, shall be paid by the Party incurring such fee or expense, whether or not the Closing shall have occurred.

Section 7.8 Tax Matters.

(a) After the Closing Date, Buyer and Seller shall provide each other with such cooperation and information related to Colstrip Unit 4 and the Colstrip 4 Interests as the Parties reasonably may request in (i) filing any Tax Return, amending any Tax Return or claiming any Tax refund, (ii) determining any liability for Taxes or any right to Tax refunds or (iii) conducting or defending any audit, examination, claim or other proceeding in respect of Taxes. Seller and Buyer shall retain all Tax Returns, schedules and work papers, and all material records and other documents related thereto until the expiration of the statute of limitations for the taxable years to which such Tax Returns and other documents relate.

(b) Buyer and Seller each shall be responsible under applicable Law for payment of fifty percent (50%) of all Transfer Taxes with respect to the Colstrip 4 Interests. The Party responsible for preparing any Tax Returns or other documentation relating to such Transfer Taxes shall prepare and file such Tax Returns or other documentation; *provided, however*, that to the extent required by applicable Law, the other Party shall join in the execution of any such Tax Returns and other documentation relating to such Transfer Taxes. The Party responsible for preparing and filing any such Tax Return or other documentation shall provide to the other Party copies of each such Tax Return or other documentation at least fifteen (15) days prior to the date on which such Tax Return is required to be filed.

(c) In the event of any conflict between the provisions of ARTICLE 8 of this Agreement and this Section 7.8 or Section 2.4, the provisions of this Section 7.8 and Section 2.4 shall control.

Section 7.9 [Intentionally Omitted].

Section 7.10 Updates to Disclosure Schedules. From time to time prior to and up to three (3) days prior to the Closing Date, Seller shall provide written notice to Buyer of any fact, matter, condition, event or circumstance that occurs following the date of this Agreement and that, individually or in the aggregate, renders Seller unable, without amending the Disclosure Schedules, to satisfy the condition precedent under Section 3.4(b) (each, an “*Update*”). For the avoidance of doubt, the delivery of documents to Buyer or Seller, as applicable, shall not constitute written notice of an Update. In the event that Buyer does not terminate this Agreement pursuant to Section 9.1(d)(i) following delivery of such Update, then Seller shall be permitted to update the applicable Schedule(s) to properly reflect the fact, matter, condition, event or circumstance disclosed to Buyer in such Update, and the applicable representations and warranties of Seller set forth in this Agreement made following the Update shall be subject to the Schedules attached hereto, as modified or amended by such Update, for purposes of satisfying the conditions to Closing set forth in Section 3.4; *provided*, that, if the Closing occurs, such Update shall not be deemed to have modified the Schedules for purposes of determining whether there has been a breach of the applicable representations and warranties related to Seller’s indemnification obligations in ARTICLE 8.

Section 7.11 Transfers of Interests. If, at any time between the date of this Agreement and one year following the Closing Date, Buyer enters into any contract, agreement, arrangement or other understanding with respect to the purchase of any interests of Colstrip Units 1 & 2,

Colstrip Unit 3 or Colstrip Unit 4 on terms (individually or in the aggregate) more favorable to the seller of such interests than the terms as agreed upon in this Agreement (as determined by Seller in its sole discretion), Buyer hereby agrees to amend this Agreement to reflect such more favorable terms in this Agreement.

Section 7.12 Puget Transmission Assets. NorthWestern and Seller are parties to the NorthWestern Transmission Acquisition Agreement, in which Seller has agreed to sell to NorthWestern, and NorthWestern has agreed to purchase from Seller, the Puget Transmission Assets. The Parties acknowledge that on July 8, 2020, Buyer initiated an arbitration proceeding against Seller and NorthWestern requesting an order requiring that Seller offer to Buyer a right to acquire a proportionate share of the Puget Transmission Assets equal to fifty percent (50%) of the Puget Transmission Assets on substantially the same terms and conditions as those set forth in the NorthWestern Transmission Acquisition Agreement.

Section 7.13 Delivery of Copies of Amendments to NorthWestern Colstrip Unit 4 Acquisition Agreement. If, at any time between the date of this Agreement and the Closing, Seller and NorthWestern enter into any amendment to the NorthWestern Colstrip Unit 4 Acquisition Agreement, Seller shall, not later than the earlier of (a) three (3) days after the effectiveness of amendment or (b) the Closing Date, deliver to Buyer a true, correct, and complete copy of such amendment.

Section 7.14 Buyer Purchase Right in Event of Failure of Closing to Occur Under NorthWestern Colstrip Unit 4 Acquisition Agreement. If the closing under the NorthWestern Colstrip Unit 4 Acquisition Agreement shall fail to occur for any reason, Buyer shall have a right, exercisable at any time within ninety (90) days after any such failure of such closing to occur, to purchase from Seller, on the terms and conditions of this Agreement, the right, title, and interest in the PSE Colstrip 4 Interests that Seller agreed to sell, and that NorthWestern agreed to purchase, under the NorthWestern Colstrip Unit 4 Acquisition Agreement. If Buyer exercises such right, Seller and Buyer shall amend this Agreement, or enter into a new agreement on substantially the same terms and conditions as those of this Agreement, to provide for the sale by Seller and the purchase by Buyer of such additional right, title, and interest in the PSE Colstrip 4 Interests.

ARTICLE 8 LIABILITY AND INDEMNIFICATION

Section 8.1 Survival. The representations and warranties of Buyer and Seller shall survive until the date that is eighteen (18) months after the Closing Date, except that the Seller Fundamental Representations, the Buyer Fundamental Representations shall each survive Closing indefinitely. Claims for breach of any of the covenants and agreements of the Parties set forth herein must be brought no later than sixty (60) days following the expiration of the applicable statute of limitations applicable to such claims.

Section 8.2 AOC and CCR Rules. The Parties shall be responsible for Losses arising from the ownership or operation of the Colstrip 4 Interests, the Project, or the Common Facilities, in each case that are caused by or arise from the AOC and/or CCR Rules, based on their respective pre-Closing Date Project Shares; provided, however, to the extent any such

Losses increase due to violations of Environmental Laws by the Operator or Owners or Releases of Hazardous Substances that (a) wholly arise or wholly take place after the Closing or (b) commenced prior to Closing but that a reasonable environmental professional would determine substantially all of such violations or Releases of Hazardous Substances occurred after the Closing, liability with respect to those incremental Losses shall be as set forth in Section 8.6. The Parties specifically recognize that the Project will continue to burn coal and generate coal combustion residuals after Closing, and agree, notwithstanding anything to the contrary in the proviso contained in the prior sentence, that Losses arising from the continued burning of coal and the generation, storage, deposit, and Release of coal combustion residuals, including the deposit of coal combustion residuals into ponds, the dry storage or staging of coal combustion residuals, and any Release of coal combustion residuals or Hazardous Substances resulting from coal combustion residuals from existing ponds, shall not be considered incremental Losses of the sort described in the preceding sentence and shall not decrease Seller's liability or responsibility for such Losses based on the Parties' respective pre-Closing Date Project Shares, such that all Losses caused by or arising from the AOC and/or CCR Rules that arise from or are caused by the deposit, storage, generation, staging, or Release of coal combustion residuals shall be based on pre-Closing Date Project Shares without regard to whether such deposit, storage, generation, staging, or Release occurs before or after Closing. Continued operation of the Colstrip 4 Interests consistent with Prudent Utility Practice shall not have any bearing on the allocation of Losses provided for in this Section. Changes in Law, including changes that alter the nature, scope, or expense of obligations and Losses caused by or arising from the AOC and/or the CCR Rules, shall not alter or otherwise have any bearing on the allocation of Losses provided for in this Section; provided, that if any changes in Law after the Closing impact the operation of Colstrip Unit 4, Seller's liability for Losses arising from such impacts on the operation of Colstrip Unit 4 shall be as set forth in Section 8.6.

Section 8.3 Decommissioning. The Parties shall be responsible for Losses arising from the decommissioning, mothballing, closure, retirement, deactivation, shut down, deconstruction, removal, or demolition of all or a portion of Colstrip Unit 4, the Project, or the Common Facilities based on their respective pre-Closing Date Project Shares; provided, however, that Seller shall not be responsible for Losses caused by or arising from the decommissioning, mothballing, closure, retirement, deactivation, shut down, deconstruction, removal, or demolition of any buildings constructed after Closing intended to predominantly benefit Colstrip Unit 4. Continued operation of the Colstrip 4 Interests consistent with Prudent Utility Practice shall not have any bearing on the allocation of Losses provided for in this Section. Changes in Law, including changes that alter the nature, scope, or expense of obligations and Losses caused by or arising from the decommissioning, mothballing, closure, retirement, deactivation, shut down, deconstruction, removal, or demolition of all or a portion of the Colstrip 4 Interests, the Project, or the Common Facilities, shall not alter or otherwise have any bearing on the allocation of Losses provided for in this Section; *provided* that if any changes in Law after the Closing impact the operation of Colstrip Unit 4, Seller's liability for Losses arising from such impacts on Colstrip Unit 4 shall be as set forth in Section 8.6.

Section 8.4 Pension Costs. The Parties shall be responsible for Losses arising from pension liabilities that arose prior to Closing or are wholly or partially caused by events, incidents, liabilities, work performed, or conditions from prior to Closing, including claims by the Operator that it has made excess pension contributions, based on their respective pre-Closing

Date Project Shares. If some or all of the pensions for those employed at the Project are converted after Closing to annuities, the Parties' responsibility for any costs to the Owners of such conversions shall be based on the pre-Closing Date Project Shares for that portion of the costs attributable to employment before Closing and based on post-Closing Date Project Shares for that portion of the costs attributable to employment after Closing. Changes in Law shall not have any bearing on the allocation of Losses provided for in this Section.

Section 8.5 Other Losses Allocated Based on Pre-Closing Date Project Shares.

The Parties specifically agree that they shall be responsible for all Losses arising from or caused by the items listed on Schedule 8.5 based on their respective pre-Closing Date Project Shares. The Parties shall be responsible for Losses arising from the ownership or operation of the Colstrip 4 Interests, the Project, or the Common Facilities, in each case that are not described in Sections 8.2, 8.3, 8.4, or 8.6, and that do not arise from or are not caused by items listed on Schedule 8.5 or Schedule 8.6, but that are caused by or which arise from events, occurrences or conditions which a reasonable environmental professional would determine substantially all of such events, occurrences or conditions took place or existed before Closing based on their respective pre-Closing Date Project Shares; provided, however, to the extent any such Losses increase due to (a) actions taken after Closing by the Operator or Owners, (b) violations of Environmental Laws by the Operator or Owners that wholly arise or wholly take place after Closing or which a reasonable environmental professional would determine substantially all of such violations took place after the Closing or (c) Releases of Hazardous Substances arising from events, occurrences or conditions that wholly arise or take place or which a reasonable environmental professional would determine substantially all of such events, occurrences or conditions took place after the Closing, Seller's liability with respect to those incremental Losses shall be as set forth in Section 8.6, except that continued operation of the Colstrip 4 Interests consistent with Prudent Utility Practice shall not be deemed an action which gives rise to an increase in Losses. Continued operation of the Colstrip 4 Interests consistent with Prudent Utility Practices shall not have any bearing on the allocation of Losses provided for in this Section. The Parties specifically recognize that the Project will continue to burn coal and generate coal combustion residuals after Closing, and agree, notwithstanding anything to the contrary in the proviso contained in the prior sentence, that Losses arising from the continued burning of coal and the generation, storage, deposit, and Release of coal combustion residuals, including the deposit of coal combustion residuals into ponds, the dry storage or staging of coal combustion residuals, and any Release of coal combustion residuals or Hazardous Substances resulting from coal combustion residuals from existing ponds, shall not reduce Seller's liability or be deemed an increase in Losses of the sort described in the proviso to the first sentence in this Section. Changes in Law shall not have any bearing on the allocation of Losses provided for in this Section; *provided* that if changes in Law after the Closing impact the operation of Colstrip Unit 4, Seller's liability for Losses arising from such impacts on the operations of Colstrip Unit 4 shall be as set forth in Section 8.6.

Section 8.6 Losses Allocated Based on Post-Closing Date Project Shares. The Parties specifically agree that they shall be responsible for all Losses arising from or caused by the items listed on Schedule 8.6 based on their respective post-Closing Date Project Shares. The Parties shall be responsible for Losses arising from the ownership or operation of the Colstrip 4 Interests, the Project, or the Common Facilities, in each case that are not governed by Sections 8.2, 8.3, 8.4, or 8.5, and that do not arise from or are not caused by items listed on Schedule 8.5

or Schedule 8.6, but that are wholly caused by or arise wholly from events or occurrences which take place, or which a reasonable environmental professional would determine substantially all of such events or occurrences took place, after Closing based on their respective post-Closing Date Project Shares.

Section 8.7 Disagreements Regarding Causes of Losses. If the Parties are unable to agree as to how Sections 8.2 through 8.6 apply to the allocation of liability for particular Losses, the Parties agree in the first instance to attempt to settle such disagreement by mutual discussion between executives from both Parties. Within seven (7) Business Days of the receipt by either Party of a notice from the other Party of the existence of a disagreement referring to this ARTICLE 8 (the “*Allocation Dispute Notice*”), the receiving Party shall reply with a written response (an “*Allocation Dispute Notice Response*”). Both the Allocation Dispute Notice and the Allocation Dispute Notice Response shall include (a) a statement of the relevant Party’s position with regard to the Dispute and a summary of arguments supporting such position; and (b) the name and title of the executive who will represent that Party in attempting to resolve the Dispute pursuant to this Section 8.7. Within seven (7) Business Days of delivery of the Allocation Dispute Notice Response, the designated executives shall meet and attempt to resolve the disagreement. All negotiations pursuant to this clause shall be confidential and shall be treated as compromise and settlement negotiations, and no oral or documentary representations or offers made by the Parties during such negotiations shall be admissible for any purpose in any subsequent proceedings.

Section 8.8 Resolution if Executive Negotiations Do Not Succeed.

(a) If any disagreement is not resolved within thirty (30) Days of receipt of an Allocation Dispute Notice pursuant to Section 8.7, then, upon either Party’s request, the Parties shall jointly retain an independent third-party consultant (with expertise in the subject matter giving rise to the liability) to promptly determine whether the events or occurrences that caused or gave rise to the Losses in question fit within the scope of Section 8.2, Section 8.3, Section 8.4, Section 8.5 (including Schedule 8.5), or Section 8.6 (including Schedule 8.6), and how such Losses are to be allocated based on the application of those sections. To the extent permitted by law, the Parties shall provide for the confidentiality of the independent third-party consultant’s determination, and each Party shall pay half of the consultant’s fees and costs. The determination of the third-party consultant shall be final and binding on the Parties and is not subject to review in other arbitration or in court. Apportionment of liability disputes described in this Section shall be resolved using the procedures and requirements set forth in this Section (and the subsections below) and not using the procedures provided for in ARTICLE 10 of this Agreement.

(b) The independent third-party consultant shall agree to act as an impartial and neutral arbitrator in carrying out the duties set forth herein. The independent third-party consultant shall carry out his or her duties based on the standard procedures used by consultants researching or investigating matters in the industry in question, and not by using processes that are quasi-judicial in nature. In particular, the independent third-party consultant shall not be required to hold a hearing. The Parties shall jointly submit written background information to the independent third-party consultant, and shall then cooperate in responding to follow-up questions and requests for documents from the independent third-party consultant. If the independent third-party consultant asks to conduct a site visit and/or interview Colstrip personnel, the Parties shall

cooperate in facilitating such a site visit and/or interviews, including by jointly making requests to the Operator. The independent third-party consultant shall not communicate to either Party without also including or copying the other Party in such conversation or exchange. The independent third-party consultant shall provide his or her determination in a written report that is to be transmitted to both Parties.

(c) If the Parties are unable to agree on an independent third-party consultant, each Party shall appoint one third-party consultant, each of whom shall agree to serve impartially and independently, and then the two consultants so appointed shall themselves find and appoint a third consultant who agrees to serve as the independent third-party consultant contemplated by this Section under the procedures and requirements set forth in this Section.

Section 8.9 Indemnification By Seller. Seller shall indemnify, save and hold harmless, Buyer, its Affiliates, and their respective Representatives from and against any and all Losses, costs, losses, liabilities (including liabilities arising under principles of strict or joint and several liability), damages, lawsuits, deficiencies, claims and expenses (whether or not arising out of Third Party Claims), including interest, penalties, additions, travel expenses, wages allocable to loss of employee time, reasonable attorneys' fees and all amounts paid in investigation, defense or settlement of any of the foregoing (collectively, the "*Damages*"), incurred in connection with or arising out of or resulting from:

(a) any breach or inaccuracy in any of the representations or warranties of Seller contained in this Agreement, any Closing Document to which Seller is a party or any certificate delivered by or on behalf of Seller pursuant to this Agreement (any such breach or inaccuracy to be determined without regard to any qualification for "materiality," "in all material respects" or similar qualification);

(b) any breach or violation of any covenant, agreement or other obligation of Seller set forth in this Agreement or any Closing Document to which Seller is a party;

(c) if the Closing has occurred, any failure by Seller to pay, perform or discharge any Retained Liabilities as and when due;

(d) if the Closing has occurred, any failure by Seller to pay, perform or discharge any Retained Liability as and when due;

(e) if the Closing has occurred, any liability, obligation or commitment of Seller of any nature (absolute, accrued, contingent or otherwise) relating to the Colstrip 4 Interests and not assumed;

(f) Seller's portion of any Transfer Taxes in accordance with Section 7.8(b);

(g) any fraud, willful misconduct or gross negligence in connection with this Agreement by Seller or its Affiliates; or

(h) any claim by a third-party or liability to a third-party, including a current or former Project User, to the extent it seeks to hold Buyer responsible for any Losses that are the responsibility of Seller under Sections 8.2 through 8.6 above.

Section 8.10 Indemnification By Buyer. Buyer shall indemnify, save and hold harmless, Seller, its Affiliates, and their respective Representatives from and against any and all Damages incurred in connection with or arising out of or resulting from:

- (a) any breach or inaccuracy of any representation or warranty made by Buyer in this Agreement or any Closing Document to which Buyer is a party;
- (b) any breach or violation of any covenant, agreement or obligation of Buyer set forth in this Agreement or any Closing Document to which Buyer is a party;
- (c) if the Closing has occurred, any failure of Buyer to pay, discharge or perform any of the Assumed Liabilities as and when due;
- (d) Buyer's portion of any Transfer Taxes in accordance with Section 7.8(b);
- (e) any fraud, willful misconduct or gross negligence in connection with this Agreement by Buyer; or
- (f) any claim by a third-party or liability to a third-party, including a current or former Project User, to the extent it seeks to hold Seller responsible for any Losses that are the responsibility of Buyer under Sections 8.2 through 8.6 above.

Section 8.11 Third Party Claims.

(a) Promptly after receipt by a Party of notice of the commencement of any Action by a third party (a "*Third Party Claim*") with respect to any matter for which indemnification is or may be owing pursuant to Section 8.9 or Section 8.10 hereof (such Party making a claim under this ARTICLE 8, an "*Indemnified Party*"), the Indemnified Party will give notice thereof to Buyer or Seller, as applicable (the "*Indemnifying Party*"); *provided, however*, that the failure of the Indemnified Party to notify the Indemnifying Party will not relieve the Indemnifying Party of any of its obligations hereunder, except to the extent that the Indemnifying Party demonstrates that the defense of such Third Party Claim has been actually prejudiced by the Indemnified Party's failure to give such notice.

(b) If any Action referred to in this Section is brought against an Indemnified Party and the Indemnified Party gives notice to the Indemnifying Party of the commencement of such Action, the Indemnifying Party will be entitled to participate in such Action, and (unless (x) the Indemnifying Party is also a party to such Action and the Indemnified Party determines in good faith that joint representation would be inappropriate upon the advice of outside counsel that a conflict of interest exists between the Indemnified Party and the Indemnifying Party with respect to such Action, or (y) the Indemnifying Party fails to provide reasonable assurance to the Indemnified Party of its financial capacity to defend such Action and provide indemnification with respect to such Action) may assume the defense of such Action with counsel reasonably satisfactory to the Indemnified Party and, after notice from the Indemnifying Party to the Indemnified Party of its election to assume the defense of such Action, the Indemnifying Party will not, as long as it diligently conducts such defense, be liable to the Indemnified Party under this Section for any fees of other counsel with respect to the defense of such Action, in each case subsequently incurred by the Indemnified Party in connection with the defense of such Action.

(c) If the Indemnifying Party is entitled to and assumes the defense of an Action, no compromise or settlement of such claims or Action may be effected by the Indemnifying Party without the Indemnified Party's written consent unless (i) there is no effect on or grounds for the basis of any other claims that may be made against the Indemnified Party, (ii) the sole relief provided is monetary damages that are paid in full by the Indemnifying Party, and (iii) the Indemnified Party will have no liability with respect to any compromise or settlement of such claims or Action. Notwithstanding the assumption by the Indemnifying Party of the defense of any claim or Action, the Indemnified Party will be permitted to join in such defense and to employ counsel at its own expense.

(d) Notwithstanding the foregoing, if the Indemnified Party determines in good faith that there is a reasonable probability that an Action may result in the Indemnified Party or its Affiliates having to pay monetary Damages for which it would not be entitled to indemnification under this Agreement or having to perform specific performance, the Indemnified Party may, by notice to the Indemnifying Party, assume the exclusive right to defend, compromise or settle such Action, but the Indemnifying Party will not be bound by any compromise or settlement thereof effected without its written consent (which consent shall not be unreasonably withheld, delayed or conditioned).

(e) The Indemnifying Party and the Indemnified Party agree to provide each other with reasonable access during regular business hours to the properties, books and records and representatives of the other, as reasonably necessary in connection with the preparation for an existing or anticipated Action involving a Third Party Claim and its obligations with respect thereto pursuant to this Article.

Section 8.12 Direct Claims.

(a) The following procedures will apply to any claim for indemnification by an Indemnified Party that does not involve a Third Party Claim.

(b) An Indemnified Party will deliver a notice to the Indemnifying Party (a "*Notice of Claim*") as soon as practicable, but in no event later than sixty (60) days, after the Indemnified Party determines that it is or may be entitled to indemnification pursuant to this Agreement; *provided, however*, that failure to provide notice will not prejudice the Indemnified Party's right to indemnity, except to the extent the Indemnifying Party is prejudiced by the Indemnified Party's failure to give such notice.

(c) If the Indemnifying Party disputes (x) its obligation to indemnify the Indemnified Party in respect of any indemnification claim set forth in a Notice of Claim, or (y) the amount of such indemnification claim set forth in a Notice of Claim (the "*Indemnity Claim Amount*"), a dispute notice ("*Indemnification Dispute Notice*") will be given as soon as practicable, but in no event later than thirty (30) days, after the Notice of Claim. If no Indemnification Dispute Notice is given within such thirty (30) day period, the validity of the claim for indemnification and the amount of such claim, each as set forth in the Notice of Claim, will be deemed to be agreed, effective on the first (1st) day following such thirty (30) day period, and the amount of such claim as set forth in the Notice of Claim will immediately be payable by the Indemnifying Party. If an Indemnification Dispute Notice is given within such thirty (30) day period, then:

(d) The portion, if any, of the amount of such claim which is not disputed in the Indemnification Dispute Notice will immediately be payable by the Indemnifying Party.

(e) Buyer and Seller will negotiate in good faith to settle the dispute, and the portion, if any, of the claim amount which Buyer and Seller agree in writing is payable will be immediately payable by the Indemnifying Party.

(f) If Buyer and Seller are unable to resolve any portion of the Indemnity Claim Amount within two (2) months following the date the Indemnification Dispute Notice is given, either Buyer or Seller may initiate proceedings in accordance with Section 8.7 to obtain resolution of the dispute.

(g) If neither Buyer nor Seller initiates legal or arbitration proceedings in respect of the dispute within twelve (12) months following the date the Indemnification Dispute Notice is given, the portion of the claim amount which is disputed will not be payable, and the Indemnified Party will have no further right, under this Agreement, to seek to recover such amount from the Indemnifying Party.

(h) If Buyer or Seller initiates legal proceedings within the twelve (12) month period specified in Section 8.12(g), the amount, if any, determined in a written final order of a court of competent jurisdiction or final non-appealable decision of an arbitrator (“*Final Order*”) as payable by the Indemnifying Party will be payable by the Indemnified Party as of the date of such Final Order.

Section 8.13 Acknowledgement. Seller and Buyer each acknowledge that (a) only representations, warranties, covenants or agreements expressly made in this Agreement or the Closing Documents will be deemed to be representations, warranties, covenants or agreements for purposes of this Agreement, and (b) neither Party has relied on any representation, warranty, covenant or agreement not expressly made in this Agreement or the Closing Documents in consummating the transactions herein.

Section 8.14 Limitation on Certain Damages. Section 9.1 Methods of Termination. This Agreement and the transactions contemplated hereby may be terminated prior to the Closing Date as follows:

- (a) at any time by mutual written agreement of Seller and Buyer; or

- (d) by Buyer, in the following events:
 - (i) if a fact, matter, condition, event or circumstance first disclosed in an Update from Seller has had or would reasonably be expected to have a Material Adverse Effect; provided, that (A) Buyer has given Seller at least fifteen (15) Business Days' prior notice of the intent to terminate and (B) Seller has not cured such Material Adverse Effect during such fifteen (15) Business Day period;

provided, that the event triggering Buyer's termination right did not result from the failure by Buyer to fulfill any undertaking or commitment provided for herein on the part of Buyer that is required to be fulfilled on or prior to the Closing Date or any such applicable date.

Section 9.2 Effect of Termination. In the event either Party desires to terminate this Agreement pursuant to Section 9.1, written notice thereof shall promptly be given by the terminating Party to the other Party, and this Agreement shall terminate effective as of the later of the date such notice is received (or such later effective date as may be set forth therein) or the expiration of any cure period. If this Agreement is terminated as provided in Section 9.1, all filings, applications and other submissions made to any Governmental Authority with respect to the transactions contemplated by this Agreement and the Closing Documents (other than any filings, applications and other submissions made by Seller that do not involve Buyer) shall, to the extent practicable, be withdrawn from the Governmental Authority to which they were made; and except for those obligations set forth in ARTICLE 6, pursuant to which the Parties shall continue to be bound, no Party shall have any further obligation hereunder; *provided*, that such termination shall not be construed to limit or waive any right with respect to any breach of this Agreement occurring prior to such termination.

Section 9.3 No Liability. There shall be no liability of any shareholder, partner, member, director, officer, employee, advisor or representative of Buyer or Seller or any Affiliate thereof, whether to Buyer or Seller, as the case may be, or any other Person (including any shareholder, partner, member, director, officer, employee, advisor or representative thereof) in connection with any liability or other obligation of Buyer or Seller or any Affiliate thereof, whether hereunder or otherwise in connection with the transactions contemplated hereby.

ARTICLE 10 DISPUTE RESOLUTION

Section 10.1 Mutual Discussions. If any dispute or difference of any kind whatsoever shall arise between the Parties in connection with, or arising out of, this Agreement or the Closing Documents, or the interpretation, performance, breach, termination or validity hereof or thereof, including without limitation any claim based on contract, text or statute (the "*Dispute*"), the Parties shall attempt to settle such Dispute in the first instance by mutual discussions in accordance with this Section 10.1. Within seven (7) Business Days of the receipt by either Party of a notice from the other Party of the existence of a Dispute referring to this ARTICLE 10 (the "*Dispute Notice*"), the receiving Party shall reply with a written response (a "*Dispute Notice Response*"). Both the Dispute Notice and the Dispute Notice Response shall include (a) a statement of the relevant Party's position with regard to the Dispute and a summary of arguments supporting such position; and (b) the name and title of the executive who will represent that Party in attempting to resolve the Dispute pursuant to this Section 10.1. Within seven (7) Business Days of delivery of the Dispute Notice Response, the designated executives shall meet and attempt to resolve the Dispute. All negotiations pursuant to this clause shall be confidential

and shall be treated as compromise and settlement negotiations, and no oral or documentary representations or offers made by the Parties during such negotiations shall be admissible for any purpose in any subsequent proceedings.

Section 10.2 Arbitration. If any Dispute is not resolved within thirty (30) Days of receipt of a Dispute Notice pursuant to Section 10.1, then, upon either Party's request, the Dispute shall be finally and exclusively resolved by arbitration as follows:

(a) The arbitration shall be held accordance with the Commercial Arbitration Rules (the "*Rules*") of the American Arbitration Association (the "*AAA*"), then in effect, except as modified herein. The arbitration shall be held, and the award shall be issued in Chicago, Illinois.

(b) The Parties shall appoint an arbitrator satisfactory to both Parties. If the arbitrator is not appointed within the time limit provided herein, such arbitrator shall be appointed by the AAA by using a listing, striking and ranking procedure in accordance with the Rules. Any arbitrator appointed by the AAA shall be a retired judge, preferably from a Federal District Court or Federal Court of Appeals, or a practicing attorney with no less than twenty (20) years of experience and an experienced arbitrator and if possible shall have experience with disputes relating to electric power infrastructure.

(c) The hearing shall be held, if possible, within four (4) months after the appointment of the arbitrator, or as soon thereafter as is reasonably practicable.

(d) By agreeing to arbitration, the entities signing this Agreement do not intend to deprive any court of its jurisdiction to issue a pre-arbitral injunction, pre-arbitral attachment, or other order in aid of arbitration proceedings and the enforcement of any award. Without prejudice to such provisional remedies as may be available under the jurisdiction of a court, the arbitrator shall have full authority to grant provisional remedies and to direct the entities signing this Agreement to request that any court modify or vacate any temporary or preliminary relief issued by such court, and to award damages for the failure of any entity signing this Agreement to respect the arbitrator's orders to that effect.

(e) Any arbitration proceedings, decision or award rendered hereunder and the validity, effect and interpretation of this arbitration agreement shall be governed by the Federal Arbitration Act, 9 U.S.C. §1 et seq. In arriving at their decision, the arbitrator shall be bound by the terms and conditions of this Agreement and the Closing Documents and shall apply the governing law of this Agreement as designated in Section 11.2 hereof.

(f) Any controversy concerning whether a Dispute is an arbitrable Dispute or as to the interpretation or enforceability of this paragraph shall be determined by the arbitrator.

(g) The arbitrator is not empowered to award damages in excess of compensatory damages, and each Party hereby irrevocably waives any right to recover consequential, punitive, exemplary or similar damages with respect to any Dispute. The award, which shall be in writing and shall state the findings of fact and conclusions of Law upon which it is based, shall be final and binding on the Parties and shall be the sole and exclusive remedy among the Parties regarding any claims, counterclaims, issues or accounting presented to the arbitrator. Judgment

upon any award may be entered in any court of competent jurisdiction. In appropriate circumstances, the arbitrator shall have the authority to order a termination of this Agreement.

(h) The arbitrator's award shall allocate, in their discretion, among the Parties to the arbitration all costs of the arbitration, including the fees and expenses of the arbitrator and reasonable attorneys' fees, costs and expert witness expenses of the Parties. The award shall be final and binding on the Parties and may be enforced in any court having jurisdiction.

ARTICLE 11 OTHER PROVISIONS

Section 11.8 Severability. If any term or other provision of this Agreement is invalid, illegal, or incapable of being enforced by any applicable Law or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect. Upon such determination that any term or other provision is invalid, illegal, or incapable of being enforced, the Parties shall negotiate in good faith to modify this Agreement so as to give effect to the original intent of the Parties as closely as possible in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the extent possible.

Section 11.9 Bulk Sales or Transfer Laws. Buyer hereby waives compliance by Seller with the provisions of the bulk sales or transfer laws of all applicable jurisdictions. Seller agrees to pay all claims of creditors which could be asserted against Buyer because of such noncompliance. Seller indemnifies Buyer against any liability or expense, including attorneys' fees, incurred by Buyer by reason of the failure of Seller to pay such claims.

Section 11.10 No Waiver. No failure or delay by a Party to this Agreement in exercising any right or remedy provided by Law or under or pursuant to this Agreement shall impair such right or remedy or operate or be construed as a waiver or variation of it or preclude its exercise at any subsequent time and no single or partial exercise of any such right or remedy shall preclude any other or further exercise of it or the exercise of any other right or remedy.

Section 11.11 Cumulative Remedies. The rights and remedies of the Parties under or pursuant to this Agreement are cumulative, may be exercised as often as such Party considers appropriate and are in addition to its rights and remedies under general law.

Section 11.12 Further Assurances. The Parties agree to use Commercially Reasonable Efforts to perform (or procure the performance of) all further acts and things, and execute and deliver (or procure the execution and delivery of) such further documents, and may be required by applicable Law or as either of the Parties may reasonably require, whether on or after the Closing, to implement and/or give effect to this Agreement and the Closing Documents and the transactions contemplated herein and therein and for the purpose of vesting in the Buyer the full benefit of the Colstrip 4 Interests, rights and benefits to be transferred to the Buyer under this Agreement and the Closing Documents.

Section 11.13 Counterparts; Effectiveness. This Agreement may be executed in counterparts (including by PDF), each of which shall be deemed an original, but all of which together shall constitute one and the same original instrument. This Agreement shall become effective when each Party hereto shall have received a counterpart hereof signed by the other Party hereto.

Section 11.14 Specific Performance. Seller hereby acknowledges and agrees that money damages would not be a sufficient remedy for any breach of this Agreement by Seller, that Buyer would suffer irreparable harm as a result of any such breach, and that, in addition to all other remedies available under this Agreement or at Law or in equity, Buyer shall be entitled to specific performance and injunctive or other equitable relief as a remedy for any such breach or threatened breach, without posting any bond, security or other undertaking. In the event of any action by Buyer to enforce this Agreement, Seller hereby waives the defense that there is an adequate remedy at Law.

WHEREAS, Talen and Puget are parties to that certain Colstrip Unit 4 Purchase and Sale Agreement dated as of August 14, 2020 whereby Talen acquired a fifty percent (50%) undivided interest in Puget’s undivided interest in Colstrip Unit 4 (the “*Talen Colstrip Unit 4 Acquisition Agreement*”); and

(a) Unless otherwise agreed in writing by the Parties, each Appointee appointed pursuant to this Agreement shall (i) have sufficient financial and/or operational experience with electric energy plants similar to the Project, (ii) be an individual who is an employee of one of the Parties to this Agreement or one of their respective affiliates, and (iii) serve in accordance with the applicable terms and provisions of this Agreement and the Ownership and Operation Agreement.

(b) Puget shall appoint the individual and alternates who shall be entitled to use the Shared Vote on Puget’s behalf under this Agreement (the “*Puget Appointee*”). NorthWestern shall appoint the individual and alternates who shall be entitled to use the Shared Vote on NorthWestern’s behalf under this Agreement (the “*NorthWestern Appointee*”). Talen shall appoint the individual and alternates who shall be entitled to use the Shared Vote on Talen’s behalf under this Agreement (the “*Talen Appointee*”).

(c) Notice of any appointment made pursuant to this Section 2.1 shall be delivered in writing to the other Parties not later than one Business Day prior to the effective date of such appointment. Nothing in this Section 2.1 is intended to limit the Parties’ ability to agree in writing to alter the selection process for any Appointee. The Notice of appointment shall contain

contact information for the Appointee, including a physical mailing address, electronic mail address, and telephone number.

Section 2.2 Appointee Obligations. During his or her term each Appointee shall act in accordance with this Agreement. If an Appointee breaches any of its material obligations under this Agreement, such Appointee shall be removed by the appointing Party promptly after (a) receipt of written notice from the non-appointing Party, which notice shall describe the breach in reasonable detail, and (b) such appointing Party's or its Appointee's failure to cure such breach within five business days from the date such written notice is received. A replacement Appointee shall be selected in the manner of selecting the Appointee set forth in Section 2.1.

Section 2.3 General Acknowledgments and Agreements. The Parties hereby make the following acknowledgements and agreements:

(a) Wherever either Party's approval, consent or agreement is required under this Agreement, it is understood that such approval, consent or agreement shall not be unreasonably withheld, delayed or conditioned unless this Agreement specifically provides that a different standard should apply.

(b) The Parties shall maintain in confidence the communications, discussions and deliberations with the Appointees and between the Parties regarding the advice to, consultation with, and the establishment of strategy and casting of votes with respect to the Shared Vote; provided that (i) the obligation set forth herein shall not be construed to prohibit disclosure (A) to a Party's employees, shareholders, directors, officers, advisors, agents, representatives or lenders, (B) of information that is or becomes generally available to the public other than as a result of any improper disclosure of such information by the disclosing Party, or (C) of information required to be disclosed under applicable Laws and (ii) the Parties may mutually agree to disclose some or all of the communications, discussions or deliberations addressed hereby. Nothing in this Section 2.3(b) shall constitute a waiver of, or agreement not to assert, any attorney-client, work product, or other privilege unless otherwise available with respect to a Party, its Appointees and their separate deliberations and consultations.

(c) Nothing contained herein shall prohibit an Appointee from advancing any argument or taking any position at a Project Committee meeting inconsistent with the official vote being cast by the Shared Vote, and the Parties shall not interfere with an Appointee's efforts to communicate with the Project Committee on any matter before the Project Committee.

(d) This Agreement does not apply to rights, votes, approvals, consents, waivers or the like that are to be made or exercised directly by Owners or Project Users or the Operator (including by an individual appointed as a Party Appointee but only to the extent acting on behalf of such Owners or Project Users and not as a Party Appointee) under the Ownership and Operation Agreement (as opposed to rights, votes, approvals, consents, waivers or the like designed to be made or exercised by the members of the Project Committee or the Project Committee as a whole). The Party Appointees shall not have the power to bind the Parties beyond their ability to cast the Shared Vote hereunder; it being understood that Appointees may

waive Objections but do not, in capacities as such, have the power to waive any other rights under this Agreement.

Section 2.4 Exclusive Remedies. Furthermore, each Party agrees that its exclusive remedy for a breach of this Agreement shall be an action against the other Parties, and not its Appointee, in the manner permitted by this Agreement.

Subject Matter	Voting Rights if no Objection is Raised	Permitted Objections	Default Resolution in Event of Objection or Disagreement between Unit 4 Owners' Appointees
			4 does not apply to Prudency Objections.

(b) In connection with any Colstrip 3 Proposal, Colstrip 4 Proposal, Mixed Proposal, Unit 3 Decommissioning Proposal, Unit 4 Decommissioning Proposal, Unit 3 Budget Proposal, Unit 4 Budget Proposal, or Remediation Proposal, the Puget Appointee, the NorthWestern Appointee, and the Talen Appointee agree to cooperate reasonably and consult with one another regarding the classification of such Proposal and the establishment of strategy and casting of the Shared Vote in accordance with and subject to the terms of this Agreement. This covenant to cooperate includes, without limitation, the obligation to provide each other Party with notice of any conflict or disagreement regarding classification of a Proposal as soon as reasonably practicable, and in any event within two (2) Business Days following the Parties' receipt of such Proposal in accordance with the provisions of the Ownership and Operation Agreement. If a Proposal may reasonably be classified in more than one category of Proposal, such Proposal shall (except as otherwise provided in the definition of "Mixed Proposal" with respect to Mixed Proposals for Replacement of Talen as Operator) be classified in the category to which the Proposal primarily relates. Without limiting any provision of Section 3.1(a), if the Puget appointee, the NorthWestern Appointee, and the Talen Appointee are unable to agree upon the appropriate classification of a Proposal within seven (7) days after the Parties' receipt of notice of such Proposal, the dispute regarding classification shall be resolved in accordance with Article 4, and the classification of such Proposal as determined in accordance with Article 4 shall be binding upon the Parties. If, despite the good faith efforts of the Parties, the Project Committee vote occurs prior to resolution of a disagreement regarding classification of a Proposal, the Shared Vote shall not be cast.

(c) In each instance in which the Shared Vote is cast, the Puget Project Committee member shall, without regard to the Party or Parties authorized to cast such Shared Vote under this Agreement, be deemed for purposes of Section 17(f) of the Ownership and Operation Agreement to have voted in a manner consistent with such Shared Vote.

Section 3.2 The Conduct and Results of a Prudency Objection Poll.

(a) If a Party Appointee asserts a Prudency Objection, the applicable Party or Parties that are entitled to cast the vote pursuant to Section 3.1 shall request that the Project Committee conduct a Poll regarding such Proposal as follows: (i) if the Prudency Objection is asserted on the day of or during the Project Committee meeting in which the Proposal is to be considered, such Party or Parties shall request during the Project Committee meeting that a Poll be conducted during such meeting and (ii) if the Prudency Objection is asserted prior to the day of the Project Committee meeting in which the Proposal is to be considered, such Party or Parties shall give notice both telephonically and by email to the Party asserting the Prudency Objection that such Party or Parties will request that a Poll be taken at the Project Committee meeting.

(b) A valid “Poll” is one in which the Party Appointees and the Project Committee members representing the other Project Users present their respective good faith indications of how they intend to vote on the Proposal being considered. For purposes of conducting the Poll, the Project Shares of each Party shall be tallied separately. Therefore, the results of a valid Poll shall present a pure tally of the Project Users’ positions with respect to a Proposal based on each Project User’s separate Project Share. For purposes of such Poll a Proposal shall be deemed approved if the Proposal is approved by Party Appointees and other Project User Project Committee members representing not less than the minimum percentage of the Project Shares (as determined in accordance with Section 3.2(b)) required for approval of such Proposal under the Ownership and Operation Agreement, without application of the requirement of Section 17(f) of the Ownership and Operation Agreement for approval by the Operator’s Project Committee member and two other Project Committee members. The official Shared Vote on the Proposal being considered in the Poll shall be cast consistent with the results of the Poll in light of the voting and approval requirements that are applicable to such Proposal under the Ownership and Operation Agreement (i.e., either approved or not approved). The fact that a Party Appointee or other Project User’s Project Committee member casts an official vote on the Proposal that differs from its Poll vote shall have no bearing on the validity of the official Shared Vote. The Shared Vote cast may be changed only upon the concurrence of all of the Parties, and in accordance with the terms and provisions of the Ownership and Operation Agreement.

(c) Where Puget, through its Appointee, has cast the Shared Vote to reject (or not approve) a Proposal, Puget shall have the sole right and, as among the Parties, the responsibility to submit a Disapproval Statement, and the Unit 4 Owners shall have no right to submit a Disapproval Statement representing the Shared Vote relating to such rejected (or unapproved) Proposal. Where the Unit 4 Owners, through their Appointees, have abstained from voting on a Proposal or have cast the Shared Vote to reject (or not approve) a Proposal, the Unit 4 Owners shall have the sole right and, as among the Parties, the responsibility to submit a Disapproval Statement, and Puget shall have no right to submit a Disapproval Statement representing the Shared Vote relating to such rejected (or unapproved) Proposal. If the Shared Vote was not cast for any other reason, Puget, on the one hand, and the Unit 4 Owners, on the other hand, shall attempt to submit, through the Puget Project Committee member, a joint Disapproval Statement that contains the Parties’ positions on, and alternatives with respect to, the Proposal. If two or more Parties are submitting a Disapproval Statement, such Parties shall reasonably cooperate to prepare and submit a Disapproval Statement on behalf of the Shared Vote that present positions and alternative proposals that are agreeable to such Parties; it being the express preference of this Agreement that a Disapproval Statement actually be submitted within the time periods required under the Ownership and Operation Agreement.

ARTICLE 4 DISPUTE RESOLUTION

Section 4.1 Mutual Discussions. If any dispute or difference of any kind whatsoever shall arise between the Parties in connection with, or arising out of, this Agreement or the interpretation, performance, breach, termination or validity hereof, including without limitation any claim based on contract, text or statute (the “*Dispute*”), the Parties shall attempt to settle such Dispute in the first instance by mutual discussions in accordance with this Section 4.1. Within seven (7) Business Days of the receipt by any Party of a notice from any other Party of

the existence of a Dispute referring to this Article 4 (the “*Dispute Notice*”), the receiving Party shall reply with a written response (a “*Dispute Notice Response*”). Both the Dispute Notice and the Dispute Notice Response shall include (i) a statement of the relevant Party’s position with regard to the Dispute and a summary of arguments supporting such position; and (ii) the name and title of the executive who will represent that Party in attempting to resolve the Dispute pursuant to this Section 4.1. Within seven (7) Business Days of delivery of the Dispute Notice Response, the designated executives shall meet and attempt to resolve the Dispute. All negotiations pursuant to this clause shall be confidential and shall be treated as compromise and settlement negotiations, and no oral or documentary representations or offers made by the Parties during such negotiations shall be admissible for any purpose in any subsequent proceedings.

Section 4.2 Arbitration. If any Dispute is not resolved within thirty (30) days of receipt of a Dispute Notice pursuant to Section 4.1, then, upon any Party’s request, the Dispute shall be finally and exclusively resolved by arbitration as follows:

(a) The arbitration shall be held accordance with the Commercial Arbitration Rules (the “*Rules*”) of the American Arbitration Association (the “AAA”), then in effect, except as modified herein. The arbitration shall be held, and the award shall be issued in Billings, Montana.

(b) The Parties shall appoint an arbitrator satisfactory to all Parties. If the arbitrator is not appointed within the time limit provided herein, such arbitrator shall be appointed by the AAA by using a listing, striking and ranking procedure in accordance with the Rules. Any arbitrator appointed by the AAA shall be a retired judge, preferably from a Federal District Court or Federal Court of Appeals, or a practicing attorney with no less than twenty (20) years of experience and an experienced arbitrator and if possible shall have experience with disputes relating to electric power infrastructure.

(c) The hearing shall be held, if possible, within four (4) months after the appointment of the arbitrator, or as soon thereafter as is reasonably practicable.

(d) By agreeing to arbitration, the entities signing this Agreement do not intend to deprive any court of its jurisdiction to issue a pre-arbitral injunction, pre-arbitral attachment, or other order in aid of arbitration proceedings and the enforcement of any award. Without prejudice to such provisional remedies as may be available under the jurisdiction of a court, the arbitrator shall have full authority to grant provisional remedies and to direct the entities signing this Agreement to request that any court modify or vacate any temporary or preliminary relief issued by such court, and to award damages for the failure of any entity signing this Agreement to respect the arbitrator’s orders to that effect.

(e) Any arbitration proceedings, decision or award rendered hereunder and the validity, effect and interpretation of this arbitration agreement shall be governed by the Federal Arbitration Act, 9 U.S.C. §1 et seq. In arriving at their decision, the arbitrator shall be bound by the terms and conditions of this Agreement and the Closing Documents (as defined in the NorthWestern Colstrip Unit 4 Acquisition Agreement and the Talen Colstrip Unit 4 Acquisition Agreement, respectively) and shall apply the governing law of this Agreement as designated in Section 7.3 hereof.

(f) Any controversy concerning whether a Dispute is an arbitrable Dispute or as to the interpretation or enforceability of this paragraph shall be determined by the arbitrator.

(g) The arbitrator is not empowered to award damages in excess of compensatory damages, and each Party hereby irrevocably waives any right to recover consequential, punitive, exemplary or similar damages with respect to any Dispute. The award, which shall be in writing and shall state the findings of fact and conclusions of law upon which it is based, shall be final and binding on the Parties and shall be the sole and exclusive remedy among the Parties regarding any claims, counterclaims, issues or accounting presented to the arbitrator. Judgment upon any award may be entered in any court of competent jurisdiction. In appropriate circumstances, the arbitrator shall have the authority to order a termination of this Agreement.

The arbitrator's award shall allocate, in their discretion, among the Parties to the arbitration all costs of the arbitration, including the fees and expenses of the arbitrator and reasonable attorneys' fees, costs and expert witness expenses of the Parties. The award shall be final and binding on the Parties and may be enforced in any court having jurisdiction.

ARTICLE 5 TERM & TERMINATION

Section 5.1 **Term.** This Agreement shall become effective as of the date first written above and shall continue in full force and effect until the end of the term of the Ownership and Operation Agreement in accordance with Section 32 thereof.

ARTICLE 6 REPRESENTATIONS AND WARRANTIES

Each Party represents and warrants to the other Parties that, as of the Effective Date:

(a) such Party is duly formed and validly existing under the laws of the jurisdiction of its organization and is duly authorized to do business in each other jurisdiction in which it is required to be so qualified with full power and authority to perform its obligations hereunder and that the execution, delivery and performance of this Agreement has been duly authorized by such Party;

(b) this Agreement has been duly executed and delivered by such Party and constitutes the legal, valid, binding and enforceable obligation of such Party enforceable in accordance with its terms against such Party subject to the effect of bankruptcy, insolvency, moratorium and other similar Laws relating to creditors' rights generally, whether existing at law or in equity, by general equitable principles and by an implied covenant of good faith and fair dealing;

(c) no consent, approval or authorization of, or filing, registration or qualification with, any court or governmental authority on the part of such Party is required for the execution and delivery of this Agreement by such Party and the performance of its obligations and duties hereunder, other than those that have been made or obtained; and

(d) such Party is in material compliance with all Laws and legal requirements applicable to its business.

ARTICLE 7 MISCELLANEOUS

Section 7.1 Assignment: Third Party Beneficiaries. A transfer or assignment by any Party of any part of its interest under this Agreement to any other Person (an “Assignee”) shall be subject to the non-assigning Parties’ receipt of written evidence that each of the following conditions has been satisfied: (a) the assigning Party shall be simultaneously transferring or assigning a corresponding portion of its Project Share, which is subject to this Agreement, to such Assignee, (b) such Assignee shall have assumed in writing the corresponding duties and obligations of the assigning Party which arise and are attributable to the period after the effective date of the assignment and (c) if a partial (but not a full) assignment of this Agreement is being effected, arrangements regarding the casting of the Shared Vote acceptable to the non-assigning Parties shall be agreed upon in writing (including, without limitation, by amending this Agreement). Except as explicitly provided herein, nothing in this Agreement, express or implied, is intended to confer on any person or entity other than the Parties and their successors and assigns permitted hereunder any rights, remedies, obligations or liabilities under or by reason of this Agreement.

Section 7.2 Specific Performance. The Parties hereby declare that it is impossible to measure in money the damages that will accrue to a Party hereto by reason of a failure to perform any of the obligations under this Agreement and agree that the terms of this Agreement shall be specifically enforceable. If any Party hereto institutes any action or proceeding to specifically enforce the provisions hereof, the Party against which such action or proceeding is brought hereby waives the claim or defense therein that such Party has an adequate remedy at law, and such Party shall not offer in any such action or proceeding the claim or defense that such remedy at law exists.

Section 7.3 Governing Law. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF MONTANA WITHOUT REGARD TO CONFLICTS OF LAWS PRINCIPLES THAT WOULD RESULT IN THE APPLICATION OF THE LAWS OF ANY OTHER JURISDICTION.

Section 7.4 Limitation on Certain Damages. NOTWITHSTANDING ANYTHING IN THIS AGREEMENT TO THE CONTRARY, NO PARTY SHALL BE LIABLE FOR SPECIAL, PUNITIVE, SPECULATIVE, EXEMPLARY, INCIDENTAL, CONSEQUENTIAL OR INDIRECT DAMAGES, INCLUDING LOST PROFITS IN THE NATURE OF INDIRECT DAMAGES OR LOSS OF OPPORTUNITY DAMAGES, FOR ANY REASON WITH RESPECT TO THE SUBJECT MATTER OF THIS AGREEMENT, WHETHER BASED ON CONTRACT, TORT, STRICT LIABILITY, STATUTE, OTHER LAW OR OTHERWISE AND WHETHER OR NOT ARISING FROM ANY OTHER PARTY’S SOLE, JOINT OR CONCURRENT NEGLIGENCE, STRICT LIABILITY OR OTHER FAULT, UNLESS SUCH DAMAGES ARE AWARDED TO A PERSON IN AN INDEMNIFIABLE THIRD PARTY CLAIM OR ARE ATTRIBUTABLE TO THE FRAUD OR WILLFUL MISCONDUCT OF A PARTY.

Section 7.5 Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions of this Agreement, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 7.6 Notices and Communications. Except as otherwise provided in this Agreement, any notice, request, instruction or other document to be given hereunder by a Party hereto shall be in writing and shall be deemed to have been given (a) when delivered by hand (with written confirmation of receipt); (b) when received by the addressee if sent by a nationally recognized overnight courier (receipt requested); (c) on the date sent by e-mail of a PDF document (with confirmation of transmission) if sent during normal business hours of the recipient, and on the next Business Day if sent after normal business hours of the recipient; or (d) on the third (3rd) Business Day after the date mailed, by certified or registered mail, return receipt requested, postage prepaid

No failure to exercise and no delay in exercising, on the part of any Party, any right, remedy, power or privilege under this Agreement, shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege under this Agreement preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege.
