**RE: Avista Corporation Dockets UE-090134, UG-090135 & UG-060518 (consolidated)**

Avista Corporation ("the Company") hereby encloses for filing an original and 17 copies of a CD which contains the second revised Exhibit No. \_\_\_\_ (BJH-2). On August 10, 2009, Avista filed with the Commission the first revised Exhibit No. \_\_\_\_ (BJH-2), which is the Decoupling Evaluation Report that was prepared by Titus. That report contains many exhibits, some of which are electronic in nature. When the Company originally filed the Evaluation Plan, the referenced exhibits were included in Mr. Hirschhorn's workpapers. This second revised Exhibit incorporates those exhibits into Exhibit No. \_\_\_\_ (BJH-2), so that the entire report and all exhibits are included.

The Company is providing this second revised Exhibit No. \_\_\_\_ (BJH-2) in electronic format only inasmuch as the Report (previously provided in hardcopy) and all exhibits exceed 900 pages. A hardcopy can be provided upon request.

Questions regarding this filing should be directed to Patrick Ehrbar at (509) 495-8620.

Sincerely,

A handwritten signature in black ink that reads "Kelly Norwood". The signature is written in a cursive, flowing style.
