**NOTICE SUSPENDING PROCEDURAL SCHEDULE AND
REQUIRING PARTIES TO FILE SETTLEMENT DOCUMENTS
(Due by Wednesday, July 31, 2013)**

Re: *Washington Utilities and Transportation Commission, Complainant, v. Murrey's Disposal Company, Inc., G-9, Respondent, Docket TG-130501 and Washington Utilities and Transportation Commission, Complainant, v. American Disposal Company, Inc., G-87, Respondent, Docket TG-130502 (Consolidated)*

TO ALL PARTIES:

On July 16, 2013, Murrey's Disposal Company, Inc. and American Disposal Company, Inc. filed a letter with the Washington Utilities and Transportation Commission (Commission) notifying the Commission that the parties had reached a settlement in principle in these matters. In light of this, the parties jointly requested that the procedural schedule be suspended. The parties also asked for additional time to reduce their agreement to writing and prepare the required supporting narratives.

The Commission finds the parties' request to suspend the procedural schedule reasonable and should be granted. After the parties file their settlement documents, the Commission will determine the need for any additional process in accordance with WAC 480-07-740.

THE COMMISSION GIVES NOTICE That the procedural schedule in these dockets is suspended.

THE COMMISSION GIVES FURTHER NOTICE That the parties must file a settlement agreement and supporting narratives by Wednesday, July 31, 2013.
