**Re: Comments of Puget Sound Energy
Docket U-210151**

Dear Ms. Maxwell:

As requested in the Commission's May 9, 2023 Notice of Opportunity to Comment ("Notice") in the above-referenced docket, Puget Sound Energy's ("PSE's") comments to the recommendations in Attachment A accompanying the Notice are as follows:

- **Quarterly PCA Report**
PSE maintains its original recommendation that the annual PCA filing be maintained but the quarterly PCA reporting be discontinued, and agrees with Commission Staff that quarterly reporting is excessive and unnecessary.
- **Electric line extension cost study information filing:**
PSE welcomes the opportunity to discontinue this bi-annual filing and provide this information as a component of its line extension tariff revisions, as provided in Staff's Notes of Attachment A.

PSE appreciates the opportunity to provide this information. Please contact Chris Schaefer at (425) 456-2932 or chris.schaefer@pse.com for additional information or questions regarding this filing. If you have any other questions, please contact me at (425) 456-2105.

Sincerely,

/s/ Susan Free
