RE: *Washington Water Supply, Inc.'s Compliance Filing—Order 04, Order Approving Settlement,*  
Docket UE-230997

TO ALL PARTIES:

On June 14, 2024, the Washington Utilities and Transportation Commission entered Order 04 in the above-referenced docket. Order 04 approved a full settlement that resolved all issues in the docket and required Washington Water Supply, Inc. (WWSI) to file a revised surcharge tariff pursuant to the approved settlement.

WWSI filed its revised surcharge tariff on June 17, 2024, and refiled on June 18, 2024, to replace the generic month placeholders with the actual months that each surcharge amount will be charged on customer bills. The surcharge tariff, entitled “Revised Cost Recovery Surcharge” will become effective on July 1, 2024.

Order 04 authorized WWSI to recover \$13,709.90 over six months through a surcharge of \$60.00 per customer for the first five months and \$26.43 per customer for the sixth and final month. Customers may elect to pay a one-time surcharge of \$326.43 in lieu of monthly charges.

On June 20, 2024, Commission staff (Staff) filed a letter in this docket stating that it had reviewed WWSI’s submission and believes that the Revised Cost Recovery Surcharge filed on June 18, 2024, by WWSI complies with Order 04.

The Commission hereby confirms that the Revised Cost Recovery Surcharge filed on June 18, 2024, by WWSI complies with the condition set forth in Order 04.
