**Re: Docket UE-161123 Informational Filing  
Microsoft's 2020 Final Renewable Portfolio Standard Report**

Dear Ms. Maxwell,

Pursuant to WAC 480-07-880(8), attached please find Microsoft's Final Renewable Portfolio Standard Report ("Report") for the 2020 Target Year. While not required by commission order, this informational filing is modeled after PSE's Final RPS Compliance Reports under WAC 480-109-210(6).

This Report provides information necessary to confirm that Microsoft has met its 2020 RPS target. Confidential Attachment 1 to the Report lists the corresponding retired WREGIS certificates. Confidential Attachment 2 is the WREGIS certificates retirement report.

Puget Sound Energy ("PSE") and Commission Staff had the opportunity to provide comments on the draft Report. PSE has reviewed the Report and believes it complies with sections 4.9.1 and 4.9.2 of the Special Contract.

Microsoft requests confidential treatment of certain information as "Confidential per Protective Order in WUTC Docket UE-161123" as it contains customer-specific usage information, the release of which could compromise Microsoft's ability to compete fairly or that otherwise might impose a business risk if disseminated without the protections of the Protective Order in this docket.

Ms. Amanda Maxwell, Executive Director and Secretary
