Notice of Change of Schedule

Re: AT&T Broadband Phone of Washington, LLC., Complainant v. Qwest Corporation, Respondent; Docket No. UT-020388

TO ALL PARTIES:

Based on telephone conversations with all parties to this proceeding, it appears that the number of cross-examination exhibits is very limited and that a prehearing conference to address marking of exhibits as well as to address any other matters preliminary to the evidentiary hearing has become unnecessary. Furthermore, one day of hearing will be sufficient to complete presentation of the evidence in this case.

Therefore, the prehearing conference scheduled in this case for June 20 at 9:30 a.m. is cancelled. Evidentiary hearing in this case will commence at 9:00 a.m. on June 27, 2002. The hearing scheduled for June 28, 2002 is cancelled.

Sincerely,

THEODORA M. MACE
Administrative Law Judge
