- 1 Administrative Law Judge Dennis J. Moss entered Order 01, Initial Order Dismissing Complaint, in this docket on April 27, 2011. On May 6, 2011, the Industrial Customers of Northwest Utilities filed a motion for extension of time to file a petition for administrative review of the initial order. The Washington Utilities and Transportation Commission (Commission) granted the requested extension to make such a filing until May 24, 2011.

- 2 No party petitioned for administrative review of the initial order on or before May 24, 2011. The Commission did not give notice of its intention to review the order on its own motion.

- 3 Therefore, under RCW 80.01.060(3), the order became final on May 25, 2011, by operation of law.

- 4 In allowing this order to become final, the Commission does not endorse the order's reasoning and conclusions. If cited in the future, the order must be identified as an Administrative Law Judge's order.

Sincerely,

DAVID W. DANNER
Executive Director and Secretary
