RE: Cricket Communications, Inc.'s Compliance Filing
Docket UT-111534

Dear Mr. Danner:

Pursuant to Washington State Condition #1 of Commission Order 01 (Appendix B) in this docket, Cricket Communications, Inc. (Cricket or the Company) submitted a compliance filing on June 7, 2012, for approval by the Commission. The Company's compliance filing contains a copy of its Lifeline rate plans, terms and conditions, proposed language to be used in marketing and advertising material, and its Lifeline Customer Enrollment Form. Staff has reviewed the compliance filing and discussed it with the Company's representative. Based on Staff's suggestions, the Company submitted revisions to the Lifeline Customer Enrollment Form on June 20, 2012. Staff finds that the Company's final revised compliance filing is satisfactory and meets the condition set forth in the Commission's Order 01. Staff, therefore, recommends that the Commission approve Cricket's compliance filing so that the company can start offering its Wireless Lifeline service in Washington.

Sincerely,

GREGORY J. TRAUTMAN
