Re: UT-240062 - Washington Universal Service Communications Program - FCC Form 477

Dear Mr. Killip:

Pursuant to WAC 480-123-060(1)(i), attached is a copy of the information that was electronically submitted to the Federal Communications Commission (FCC) for the Form 477 Subscriber Data. The information is for the data period ending December 31, 2023 and was submitted through the FCC's Broadband Data Collection portal. The summary is the only portion of the FCC Form 477 that is available in usable format. The enclosed broadband data includes Study Area Code 803703 & 833864 while the voice data is only Study Area Code 803703. This is being filed with respect to funds received from the Washington Universal Service Communications Program.

Should you have any questions regarding this submission, please contact me directly at (360) 832-4130 or danielle.clausen@rainierconnect.net.

Sincerely,

Danielle Clausen
