In re: Enoch Rowland, d/b/a Kleenwell Biohazard and
General Ecology Consultants
Docket No. TG-920304

Dear Mr. Johnson:

I have received your most recent request for an extension of time for filing briefs in this matter. I have also received a letter opposing that request from at least one other party thus far. In light of that fact, and in light of your previous specific request for a one week extension, which was granted, your request for a further extension of time is denied. Briefs are due on the schedule set forth in my letter of June 24, 1992.
