**NOTICE REGARDING PREHEARING CONFERENCE
(February 14, 2002)**

RE: *WUTC v. Puget Sound Energy*, No. UE-011570 (Interim Phase—Electric)

TO ALL PARTIES OF RECORD:

This notice outlines the agenda for our prehearing conference on February 14, 2002. The primary purpose of this prehearing conference is to promote efficient use of everyone's time during the evidentiary hearings scheduled to commence on February 18, 2002. All parties who intend to participate actively in the evidentiary hearings are required to have a representative present for this prehearing conference.

Our agenda will be as follows:

- Appearances (short form—name and party only)
- Witness list and order of presentation
- Estimated times for cross-examination
- **Exchange of exhibits**
- Exhibit marking
- Other business

You are required to bring sufficient (*i.e.*, 24) copies of all exhibits you intend to use during cross-examination; you will furnish a copy of each proposed exhibit to each party and 7 copies to the Bench. Your exhibits are required be arranged in sets, by witness. Every page of each exhibit must bear a page number and must be three-hole punched.

Final exhibit numbers will be assigned at the prehearing. The Bench will prepare a preliminary exhibit list that will be made available to all parties at the beginning of the evidentiary hearing.

We will discuss and agree to an order of witness presentation. We will discuss and agree to an order for cross-examination and receive estimated times for cross-examination. We will take up any other procedural business that is proposed to promote the most efficient use of our time during the week of February 18, 2002.

Sincerely,

DENNIS J. MOSS
Administrative Law Judge
