Re: In the Matter of the Joint Application of Puget Holdings LLC and Puget Sound Energy, Inc for an Order Authorizing Proposed Transaction
Docket No. U-072375

Dear Mr. Danner:

Enclosed please find the Offer of Public Testimonial Exhibit No. 400 on behalf of Public Counsel for filing in the above-entitled docket. The exhibit consists of letters, e-mails, written comments collected at public hearings, and other written materials submitted by the public to provide comment on the proposed sale of Puget Sound Energy. The full exhibit is provided on CD.

A voluminous number of public comments were received by the Commission, many via email and internet, for which there are no original hard copies to submit. Commission Consumer Protection and Communications Staff entered these comments into a database. This database includes all comments received by the Commission. Text of the comments was either directly input into the database, or in the case of comments received via mail, the document was scanned into .pdf format and saved in the database. The output from this database, and attached documents, has been included in .doc format on the enclosed CD, and these twenty one (21) files provide all comments submitted to the Commission in this docket. The CD also contains two (2) files in .pdf format with comments received by Public Counsel.

Additionally, Public Counsel has included in this filing four (4) boxes with all available original hard copies of comments received by Consumer Protection and Communications Staff from this docket, as well as those from PSE's pending general rate case (UE-072300 and UG-072301), to be retained by the
