Dockets UE-190529, UG-190530, UE-190274, UG-190275, UE-171225, UG-
171226, UE-190991, and UG-190992 (*consolidated*)

TO ALL PARTIES:

On July 8, 2020, and July 31, 2020, respectively, the Washington Utilities and Transportation Commission (Commission) entered its Final Order and Order Granting Motion for Clarification (Final Orders) in the above-captioned dockets, which resolved all of the contested issues in Puget Sound Energy's (PSE or Company) general rate proceeding. The Final Orders required PSE to make a compliance filing including all tariff sheets necessary and sufficient to effectuate the terms of the Final Orders. On September 23, 2020, PSE submitted both natural gas and electric compliance filings with the affected tariff schedules.

On September 30, 2020, Commission staff (Staff) filed a letter informing the Commission that Staff had reviewed the Company's compliance filings. Staff finds that PSE's natural gas compliance filing complies fully with the terms of the Final Orders but disputes the Company's electric compliance filing.

Under WAC 480-07-880(6), the Commission will provide an opportunity to respond to a compliance filing dispute raised by any party. Accordingly, parties may respond to Staff's letter disputing PSE's electric compliance filing **by 5 p.m. on Wednesday, October 7, 2020.**

The Commission approves the natural gas tariff revisions as filed by PSE on September 23, 2020, effective October 1, 2020.
