**Re: Compliance Filing
Dockets UE-190529 and UG-190530 (consolidated)
Report Addressing PSE’s Electric Conjunctive Demand Service Option and the
Design and Evaluation Elements in Staff’s Pricing Pilot Proposal**

Dear Mr. Johnson:

Pursuant to Order 08 and Order 12 of Dockets UE-190529 and UG-190530 (consolidated), Puget Sound Energy (“PSE”) provides the electronic version of PSE’s *Report Addressing PSE’s Electric Conjunctive Demand Service Option and the Design and Evaluation Elements in Staff’s Pricing Pilot Proposal* (“Report”), consistent with paragraph 596 of Order 08.

PSE believes the Report is responsive to items requested in paragraph 596. PSE provided a copy of this report to WUTC Staff on October 9, 2020. On October 20, 2020 WUTC Staff requested that PSE not file the report, but rather to have a subsequent discussion of WUTC Staff’s concerns with the report. Subsequent to those discussions PSE has made certain edits to the Report based on those discussions with WUTC Staff while still being consistent with the items requested in paragraph 596 of Order 08.

PSE is open to discussing additional information and items than what were requested in Order 08.
