additions to his connected load so that the Company, at its option, may provide such facilities as may be necessary for furnishing the increased service.

12. PAYMENTS:

A. One bill will be rendered, for each monthly billing period, listing charges for electric, gas, water service or other charges, to a Customer receiving one or more of such services from the Company at one premises.

B. Monthly bills for services rendered and other charges are due and payable in full within 15 days from their date and if not so paid shall be in default. A customer may request an extension of the payment date, in writing, to adjust billing cycle to parallel receipt of income.

C. In the event the Customer tenders a payment of less than the full amount of the monthly bill for services and/or other charges, the Company, unless otherwise directed by the Customer when payment is made, will apply said payment pro rata first to the charges in default and the remainder, if any, to the current monthly charges.

D. Checks remitted by Customers in payment of bills are accepted conditionally. A charge of \$15.00 will be assessed the Customer for handling checks upon which payment has been refused by the bank.

E. Late Payment Charge: Payments not received by the next month's bill date will be considered late. A late payment charge will be applied to the delinquent amount and will be computed at the rate of 12 percent per annum or one percent per month. The late payment charge will not be applied to time-payment or equal payment accounts that are current.
