RE: Penalty Assessment TG-061052

Dear Mr. Wilkowski:

A review of Washington Utilities and Transportation Commission (commission) records indicates that you have not remitted payment for the enclosed Notice of Penalties dated July 5, 2006, you have not filed your 2005 Annual Report and you have not paid your 2006 Regulatory Fees.

On July 25, 2006, the commission received your petition for mitigation of the \$100 penalty. You waived a hearing. On September 18, 2006, the commission denied your mitigation request and directed you to remit the penalty payment along with the required annual report. Commission records indicate you have not yet done so.

If we do not receive your annual report and regulatory fee and penalty payments by November 6, 2006, the commission will consider additional sanctions. In addition, we will refer the matter to the Office of the Attorney General for collection.

For questions regarding this matter, please contact Sheri Hoyt, Compliance Specialist, Business Practices Investigations Section. Ms. Hoyt can be reached at (360) 664-1149, or by e-mail at shoyt@wutc.wa.gov.

Sincerely,

A handwritten signature in cursive script that reads "Carole J. Washburn".

Executive Secretary

WASHINGTON UTILITIES AND TRANSPORTATION COMMISSION

**NOTICE OF PENALTIES INCURRED AND DUE
FOR VIOLATIONS OF LAWS AND RULES**

**PENALTY ASSESSMENT NO: TG-061052
PENALTY AMOUNT: \$100**

**TO: EACH OF THE 20 SOLID WASTE
COMPANIES LISTED IN ATTACHED APPENDIX A**

The commission believes that you have committed one violation of Washington Administrative Code 480-70-071 which requires solid waste companies to file annual reports with the commission by May 1 each year. You are classified as such a company. Commission records show that you did not make the filing by the required date of May 1, 2006. (See Appendix A for individual carrier's report status as of June 19, 2006.) Revised Code of Washington (RCW) 81.04.405 allows penalties of \$100 for every such violation.

As a result, the commission hereby notifies you that it has assessed penalties against you in the amount \$100, as follows:

On March 8, 2006, the commission mailed 2005 Annual Report forms and 2006 Regulatory Fee packets to you and other solid waste companies certificated in Washington State. A letter from Executive Secretary Carole Washburn instructed each company to file its annual report and pay its regulatory fees by May 1, 2006. The letter stated that failure to file your annual report by May 1 would result in a penalty and possible revocation of your registration to operate in Washington. Companies needing more time to file the annual report were permitted to request an extension before May 1, and to explain why the extension was needed. You did not request an extension of time and did not file your annual report before the deadline.

This information, if proved at a hearing and not rebutted or explained, is sufficient to support the penalty assessment.

Your penalty is due and payable now. If you believe the violation did not occur, you may request a hearing to contest the penalty assessment. If there is a reason for the violation that you think should excuse you from the penalty, you may ask for mitigation (reduction) of this penalty. See RCW 81.04.405.

You have the right to present your request for review or mitigation at a hearing, but you are not required to do so. If you do, the commission will review the evidence supporting your request in an informal hearing, called a Brief Adjudicative Proceeding, before an administrative law judge. The administrative law judge will consider your plea and notify you of his or her decision.

You must act within 15 days after receiving this notice to do one of the following:

- Pay the amount due.
- Request a hearing to contest the occurrence of the violations.
- Request mitigation to contest the amount of the penalty.

Please indicate your selection on the enclosed form and send it to the Washington Utilities and Transportation Commission, Post Office Box 47250, Olympia, Washington 98504-7250, **within FIFTEEN (15) days** after you receive this notice.

If you do not act within 15 days, the commission may refer this matter to the Office of the Attorney General for collection. The commission may then sue you to collect the penalty.

DATED at Olympia, Washington, and effective June 30, 2006.

DENNIS J. MOSS
Administrative Law Judge
