NOTICE OF DEADLINE FOR FILING SETTLEMENT DOCUMENTATION OR  
STATUS REPORT  
(Due by Friday, April 17, 2015)**

RE: *Washington Utilities and Transportation Commission v. Cascade Natural Gas Corporation*, Docket UG-140381

TO ALL PARTIES:

On April 6, 2015, the regulatory staff (Staff) of the Washington Utilities and Transportation Commission (Commission) filed a letter informing the Commission that the parties had reached a settlement in principle which still needs to be memorialized in writing. Staff requests that the Commission suspend the procedural schedule set forth in Order 01, and proposes to file the settlement and supporting documentation, or, at the very least, a status report on their negotiations, no later than Friday, April 17, 2015.

The Commission finds good cause to suspend the procedural schedule in this matter, and require the filing of a settlement agreement with supporting documentation or a status report by Friday, April 17, 2015.

**THE COMMISSION GIVES NOTICE That the procedural schedule in this matter is suspended.**

**THE COMMISSION ALSO GIVES NOTICE That the parties must file the settlement agreement and any supporting documentation, or a status report of their negotiations, by Friday, April 17, 2015.**
